DEDICATION

*"No man is an island, no man stands alone,
Each man needs his brother, each man needs his friends."*

These words very well describe the relationship between the City of Byrd and the City of Shreveport. Without Shreveport, Byrd could not be, and without Byrd, Shreveport could not be. Shreveport sends its future citizens to Byrd to learn better citizenship and leadership, and Byrd in turn sends its citizens to further the development of Shreveport. Byrd has kept pace with the growth and increasing demands of the City of Shreveport.

Photo Courtesy Shreveport Chamber of Commerce

In the past five years, the capital of the Ark-La-Tex has pushed its boundaries out across sleepy bayous as new industries, new businesses, and new citizens crowd in. In turn the City of Byrd has spread out in all directions with a new gym, new cafeteria, additional classrooms, and has utilized the space below the front offices for increased space for the R.O.T.C. unit, to take care of the 2,600 citizens Shreveport sends yearly to Byrd. Shreveport stands behind us in our many cultural projects and in our sports activities. Byrd, the city within a city, is proud to be a part of Shreveport, to receive its support, help, and encouragement, to help it dream dreams and see visions. Most of the citizens of the City of Byrd will spend their lives in the City of Shreveport; we are inter-dependent. Proudly and humbly, we, the GUSHER staff, dedicate the 1957 GUSHER to the cities of Shreveport and Byrd.

EST YEARS OF OUR LIVES

A black and white photograph of a large group of students, likely a yearbook class or a school organization. The students are arranged in several rows, posing for the camera. They are dressed in mid-20th-century attire, including sweaters, blouses, and jackets. Some students are wearing uniforms, possibly from a military or aviation program, as evidenced by the patches and insignia on their clothing. The background is a simple, dark, draped fabric. The overall mood is formal yet relaxed.

APPY TIMES

FALL

BEGINS

As the bell rings on that first day in September hundreds of students pour once again into the school. From that moment on until school closes the students in their classes, at the games, and in their daily lives make the "City of Byrd." The fall season of the year means many things . . . new classes . . . new friends . . . the games . . . the spirit . . . Byrd has a heart . . . the faculty and students keep it beating. For many Freshmen and first-year Sophomores these first few weeks are looked at with wide-eyed interest. Those days are accompanied by mistakes . . . for some . . . an elevator ticket . . . the wrong class . . . or maybe the wrong teacher. As you look through the next few pages we hope that memories of the 1956-57 year will be recalled.

Left: As school begins students come once again reluctantly. This group of students were seen with hundreds on the first day as one of Byrd's best years began.

After the first two or three weeks of school it was a little easier to pay attention in class but we were all still reliving our long summer vacation.

After hours of waiting we were finally able to see Mr. Dehner to get a locker.

THE BIG YEAR . . .

Buck Trussell conducts a tour on Freshman day showing bewildered students the building and new improvements.

Right: Songs and stories help to make Pep Squad trips a lasting memory.

A needed break is taken by the hard-working Stingerettes.

Tense players watch exciting action during the Baton Rouge game. Merritt Chastain, Don Douglass, and Johnny Hunsicker are caught here engrossed in exciting action.

FALL

Band members spent many hours getting ready for their performance at each of the football games and most of the basketball games. The band practiced for the first time in the new band room.

The Jackets being victorious again, excitement was riding high as we danced the night to end the day and begin a memory. Sammy Titone and Dicksey Gerlach are pictured here as they, with others, added life to the party.

Last fall the Student Council members took a lazy day off to go out to Lake Bistineau for a Leadership Day of classes and recreation. This group, discussing parliamentary procedure, competes for recognition.

This fall the faculty sponsored a talent show in order to raise money to furnish their new faculty room. Here the chorus sings "Pretty Baby."

Before the State game the Fair Park cheerleaders came over for our assembly with a letter of support from their student body. With the team in the background, the combined cheerleaders scream for victory.

Gusher publications entertained Sophomore and Freshman applicants with a coke party in order to become better acquainted. In groups of sixteen, applicants visited on different afternoons.

As the few days of school roll on, students are issued their lockers, but finding them and learning the combination is a different story.

WINTER

BRINGS

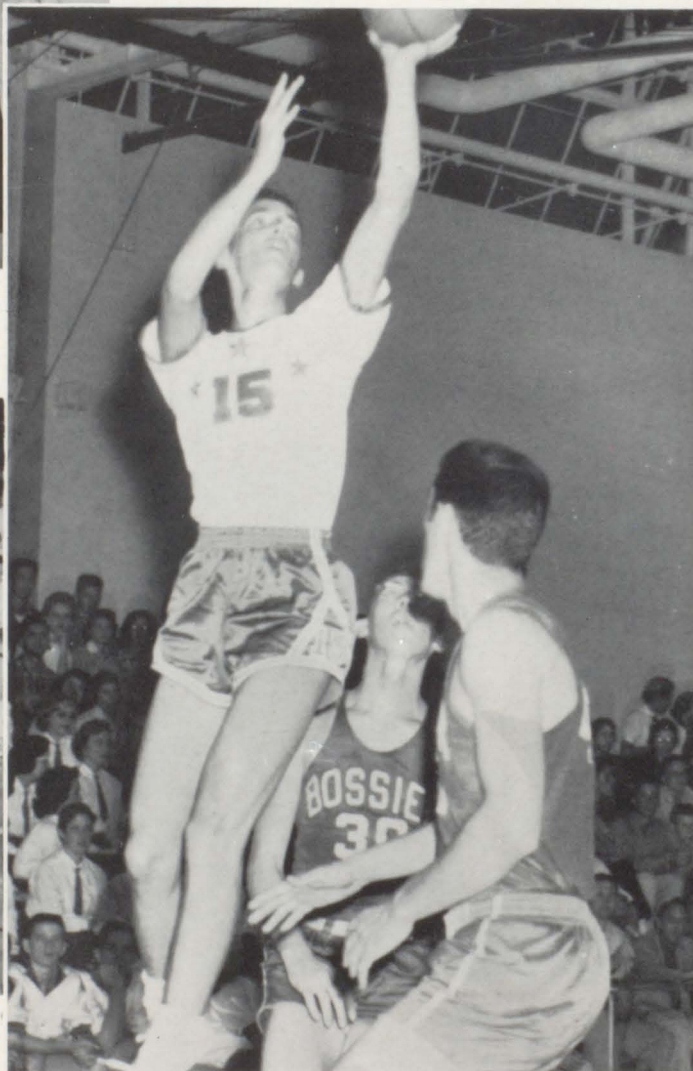

Each coin dropped into the well means a wish and many Byrd students wished others well during the March of Dimes campaign. Pam Stewart, Richard Phillips, Nancy Chambers, and Jimmy Lerner are pictured here making their wishes.

On December 6, the entire City of Byrd made its way to the new gym for the dedication and to see the Jackets play the St. John's Blue Flyers. The first game of the season, ending in victory for the Jackets, started winter's excitement, basketball!

Winter comes bringing basketball, holidays, and exams. The spirit carries right through into basketball season and before long we discover that Christmas holidays are right on us. Upon returning from the much-needed vacation we reluctantly realize that it is time to start studying for exams . . . we know the world is on our shoulders . . . library . . . drills . . . term papers . . . exams . . . cramming for Knowledge . . . but Knowledge is Power . . . Power is Strength . . . There's Strength in numbers . . . numbers are in Byrd . . . Byrd is the place for Knowledge.

This winter was full of exciting games packed with spirit and fast action. Doug Cherry is seen here as he once again raises that score.

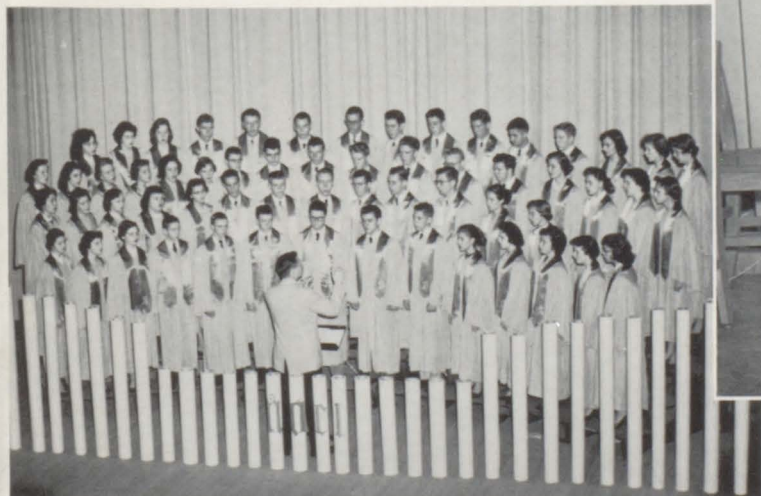

MID-TERM AND EXAMS

Around mid-term the library is full of students studying for exams.

Future Teachers members served as hostesses at the Administrators' Club meeting when it met at Byrd.

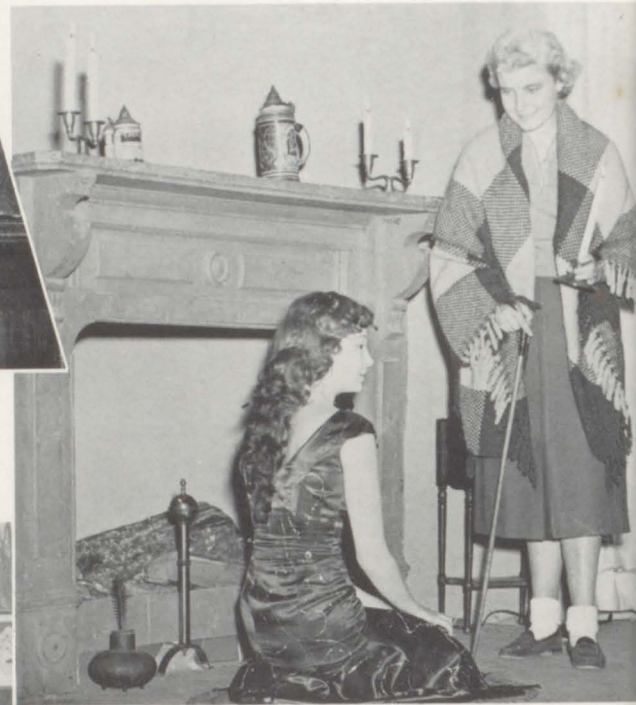

The choir under the direction of Mr. Hallquist gave a beautiful and inspiring assembly before the Christmas holidays.

Frances Lorant and Gloria Diebner worked with others in the home economics department making Christmas decorations.

Every Wednesday morning during the year many Byrd students arrive early to begin the day with Chapel attendance. Pat Hentschel is shown with other participants as she gives the devotional.

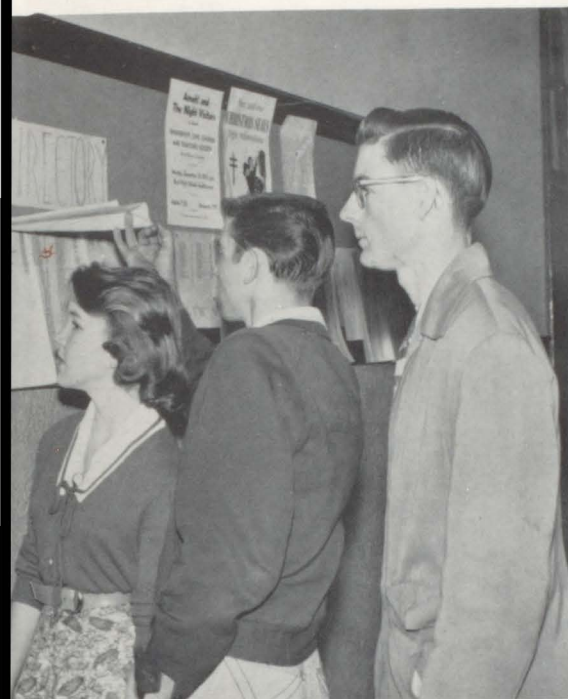

The "Will-o-the-Wisp" was dramatized this winter with Bobette Abramson and Judy Stewart as leading characters.

Many hours were spent this year preparing for the Byrd High evacuation drill. Students leave the building and go to assigned places.

The Student Directory is our City's own telephone book and Martha Hayes, Jimmy Smith, and Billy Hughes are seen here checking their names and addresses.

The High Life sold stuffed Yellow Jackets this year. Martha Jones is pictured here taking orders.

The trial of Peter Zenger was relived this year by Byrd students as it was presented in a television play. The cast is seen here in one of their many afternoon rehearsals before they appeared on "Caddo Schools Presents."

Mid-term brought a change in advanced algebra and solid geometry classes as math students once again enrolled. Mrs. Malloy is pictured here enrolling Wanda Christian, Joe Tucker, Steve Suckle, and Jim Van Norman.

SPRING

BRINGS

The first few days of warm weather bring anxious thoughts of graduation . . . track . . . baseball . . . Senior rings . . . elections . . . and exams to each student. As we sit in class, history and math grow dim as we dream of the months of swimming . . . skiing . . . and fun ahead. The end of the year draws to a close the curtain on an important and memorable act in the play of life. Pleasant thoughts will remain in the heart of each citizen of Byrd as he is reminded of his aims and accomplishments well achieved.

In the spring seniors take time out to order their invitations. Ken Stanford, Larry Franklin, Ronnie Boutte, and Ralph McFarland make the necessary arrangements.

As the end of the year draws near each senior must check his credits in the office so that his diploma may be ordered.

It's time once again to vote on the new Pep Squad members. The new members are elected by popular vote of the entire sophomore and junior classes from lists prepared by the office of girls with a C+ or better average. The elected girls will serve as juniors and seniors.

Gene Taylor, Randy Tallman, and Billy Hughes attend Career Day at Centenary with other seniors.

THE YEAR TO A CLOSE . .

Don Davis tags David Calhoun out as he slides into third.

Linda Lyles, Frances Lorant, and Virginia Millener spend this spring afternoon gathering their final biology specimens.

Juniors looked forward to ordering their rings in the spring.

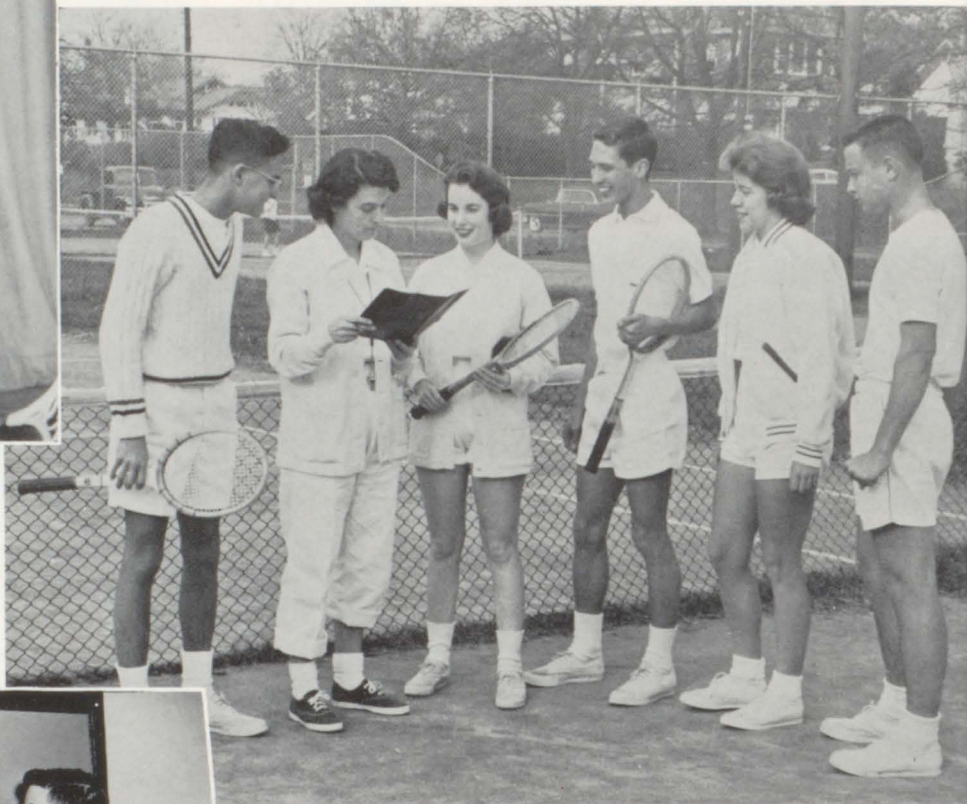

As spring rolls around students begin to think about running for cheerleader. Carol Freyer, Martha Frierson, and Julie Courtney are seen here as they sign to go out.

SPRING

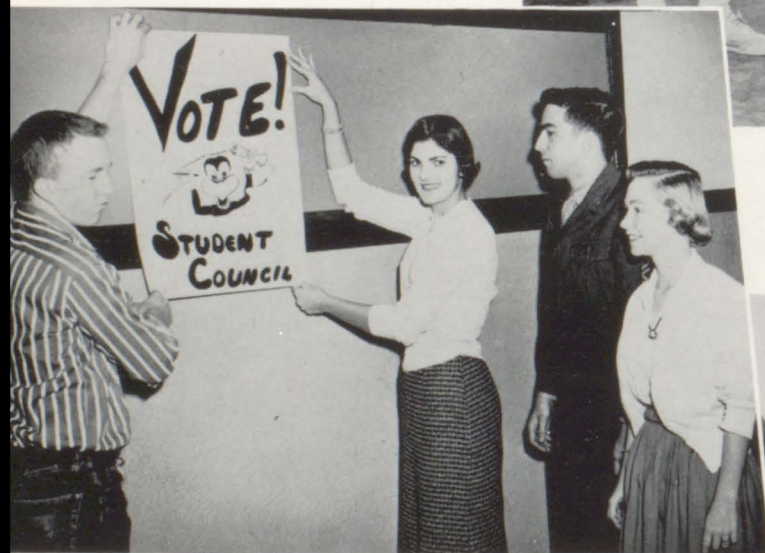

Sandra Boddie and other sewing students presented a spring style show of their work during the year.

During tennis tryouts the players check with Mrs. Gray on tournaments scheduled for the coming year.

Next year's "big team" spent many hours in practice this spring.

David James, Diane Dupin, Don Matthews, and Frances Hunter help Student Council nominees put up posters beginning their campaigns.

The last day of school finds students ready and waiting for the summer vacation ahead. For many it is the end of their life at Byrd, and they are a little wistful when thoughts turn to the memories of their past years in the "big city."

New Quill and Scroll members were tapped before going to the stage for their induction. Linda Trusty taps new member, Martha Ann Goff.

Here we see students enjoying entertainment at the Junior Prom, one of the highlights of the spring season. Byrdites wait for the introduction of the new Junior court.

FEW ARE IMMUNE . . .

Assembly arouses excitement over the game the next night. The "new varsity," composed of pep squad members, shows its spirit.

At a Friday night pep rally everyone exhibits wonderful school spirit.

At the half, the team takes a well-earned rest, and other students contribute to the enjoyment of the night. Here the color guard prepares to lead the half-time show.

Sometimes the spectators get cold and tired, but it does not lower their enthusiasm.

With a roll of the drums, 125 Pep Squad members fill the half time with precision marching and unique designs.

Leaving the game, the cheeleaders hurry to the "after-the-game dance." Soon the Youth Building will be filled with music and laughter as spectators and players get together.

... TO FOOTBALL FEVER

Cheerleaders and their helpers prepare the hoop. In a few moments the hoop will split as the 1956 Yellow Jackets take the field.

Excitement mounts as the kickoff nears. After the game starts the team carries the load. They steadily advance the ball down the field.

After the half the game begins again. Keeping the excitement at fever pitch, the cheerleaders lead the enthusiastic crowd in cheer after cheer.

The varsity on the sidelines anxiously watch their teammates push the ball toward the goal.

Mr. Ravenna sells tickets at the door for an evening of fun at the dance. Soon the floor will be crowded.

Everyone enjoys the dance, a happy ending to a week of Football Fever. The music fades into the night, but the magic of football does not die.

EVERYONE

Throughout the year, dances sponsored by different organizations are given for the students of Byrd. The Cheerleaders, Pep Squad, and Student Council all took turns sponsoring after-the-football-game dances. The Gayarre History Club gave a dance at the Youth Center during a November lull in the activities at Byrd.

Barbara Evans and Phil Guerin enjoy the dance given by the Pep Squad after the West Monroe game.

There was a very good crowd at the dance given by the Gayarre History Club.

Worries left outside, a group of students dance the night away after the Baton Rouge High game.

After the Bossier game, victorious Byrdites celebrated at a dance given by the Cheerleaders.

Kenneth Hanna, band leader of K's Kombo takes time out for a rest at the dance after the Sulpher game.

LIKES TO DANCE

In the Spring the Juniors entertained the citizens of Byrd with their annual Junior Prom. The dances given at Byrd are chaperoned by the faculty members. All the various dances are well attended by students from all Shreveport schools; thus the dance not only provides entertainment but also promotes friendly relationship between the schools.

Climaxing a crazy mixed up week the Student Council gave a Sadie Hawkins dance. On the night of May 10th the girls traded places with the boys.

After a wonderful football season, the Student Council gave a Sock Hop in the new gym following the State game.

After the Jacket victory over Lake Charles in the semi-finals, students crowd the Youth Center for the after-the-game dance.

Highlighting the school year the annual Junior Prom given by the Junior Class occurs in the Spring.

Spirits run high as the citizens of Byrd celebrate the Thanksgiving victory over Fair Park.

SPRING

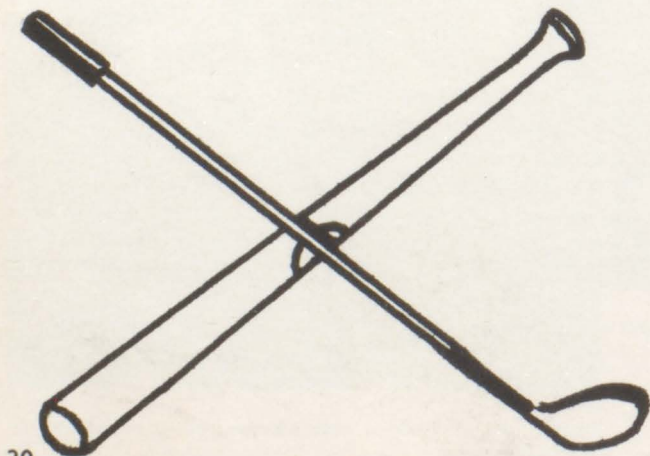

At the first breath of Spring all attentions are turned again to the outdoor sports. Once again the citizens of Byrd turn out in full force to cheer their All-State baseball team on to victory. Excitement rides high as Byrdites sit for the last time in the old Byrd Stadium watching the track meets. Even though they come home blistered from the sun, the students support the All-State AAA track team in everyway.

Immediately after a hard fought match, Martha Mosely and Jerry Blair are congratulating Dave White on winning. Our tennis team comes through again!

In the Spring Everyone

Practice makes perfect. This proverb is put into practice by the hard working members of the golf team. All phases of sports have an eternal fascination for spring minded Byrdites. Barbara McNeil tries a practice swing watched by interested fellow students.

With the coming of Spring and mild weather you find yourself at Betty Virginia Park supporting the Yellow Jacket Baseball team.

SPORTS

The individual sports, such as tennis and golf, have created a new interest at Byrd. These sports are ones that the student can participate in for the rest of his life; therefore, more people have begun to play these sports than ever before. The tennis tournaments are held at Princess Park. The Spring sports at Byrd are as well supported by the citizens as the Fall and Winter ones.

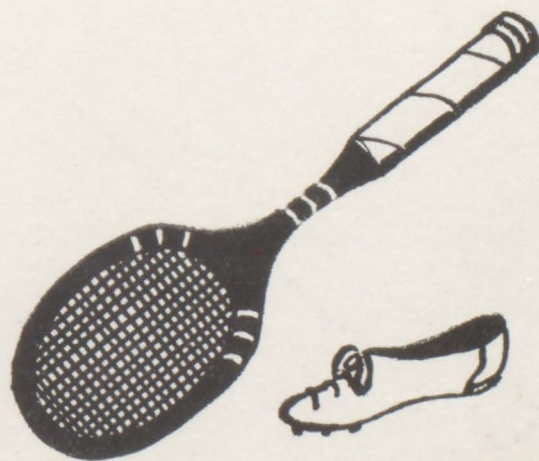

When the track meet begins, you find yourself at the stadium waiting in line to get a ticket. Sonja Dehan, a track sponsor, takes money from Joe Zaffater while the rest of the people anxiously wait in line.

Enjoys Outdoor Sports

After entering the stadium, you find a seat and spend the day watching the various events. These events include the high jump, broad jump, pole vault, discuss throw, shot put, javelin throw, and numerous running events.

As you watch, excitement builds; the Jackets are ahead, but the other team is getting close; then the Jackets come through in the ninth inning with a grand slam homerun.

DRAMATICS

Students interested in theatrical work make up Miss Olive Kite's sixth period drama class. This year the class, with the aid of Miss Kite, has presented two plays. The students discovered the three act play, "Father's Been to Mars," was more difficult than the single act play, "Will o' the Wisp." Portraying the different parts proved not only enjoyable but also informative. Through this class, many students have decided if a theatre career would be the right choice for them. Miss Kite also directs the annual Senior play.

Applying make up for the stage is a hard task. Miss Kite, the drama teacher, helps Norma Jean Brown and Frances Thurmond do a perfect job.

This scene from "Will o' the Wisp" shows Colinda Austin, Prudence Whitely, and Norma Jean Brown in the summer home.

In this scene from "Father's Been to Mars," the maid, Jean Fox, is about to be disintegrated by "Captain Galaxy," Dave White, and his daughter "Corky," Prudence Whitely.

Featured in the play, "Will o' the Wisp" is the cast. Standing: Colinda Austin and Judy Stewart. Seated: Prudence Whitely, Frances Thurmond, Bobette Abramson, and Norma Jean Brown.

The work behind stage is just as important as the work on stage. Freddie Deckard and John Ratcliffe lend a helping hand.

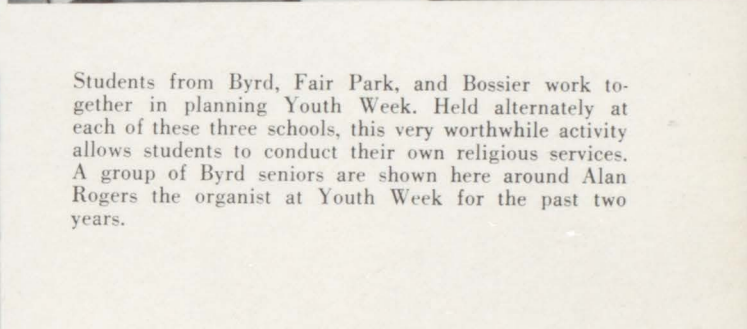

Each Wednesday morning Chapel is held in the Byrd High Auditorium for the students who wish to attend. Chapel was started by the students of Byrd in 1953 and since that time has become a regular event. The service is conducted by the students and the programs consist usually of a song, prayer, and a devotional.

Students from Byrd, Fair Park, and Bossier work together in planning Youth Week. Held alternately at each of these three schools, this very worthwhile activity allows students to conduct their own religious services. A group of Byrd seniors are shown here around Alan Rogers the organist at Youth Week for the past two years.

FROM THE HEART OF BYRD

Left: Several nights of each week, groups of students meet in individual homes and after having a devotional discuss any problems which may have come up in their week. These Prayer Groups usually distribute boxes of food to needy families at Thanksgiving and Christmas.

Right: Every year the Byrd student body supports needy orphans in foreign countries. This year our two orphans are from Korea and Germany. Bob Hardison and Scottie Ogier are shown making the monthly collection.

LEAVING THE CITY OF BYRD are these representatives of the honor clubs. They are Bob Patterson, recipient of the football Scholastic Award; Susan Stewart, President, Quill and Scroll; Pat Hentschel, President, National Forensic League; Pat Peavy, delegate to Pelican State; and David Lefkowitz, President, National Honor Society. Our honor clubs have been Byrd's best advertisement to the City of Shreveport.

NATIONAL HONOR SOCIETY

President DAVID LEFKOWITZ
 Vice President CLINT McALISTER
 Secretary SUE CALDWELL

Established in 1935, the Grover C. Koffman Chapter of the National Honor Society honors those citizens of Byrd who have given time and effort for the betterment of the school.

Eligibility for admittance to this organization is based upon the four cardinal principles of Character, Scholarship, Leadership, and Service. The entire faculty votes on the eligible Juniors with a "B" average and those Seniors who are in the upper third of their class. Membership is based upon school service as well as scholastic average. In the spring a very impressive induction service for incoming candidates is held in a special assembly.

Faculty sponsors for this year are Miss Bernice Phipps and Miss Virginia Chadick.

With other members of the National Honor Society, Kenneth Gardner waits off stage to receive his certificate of membership.

QUILL AND SCROLL

Quill and Scroll is an international honorary society for high school journalists. In order to be eligible for Quill and Scroll, a student must have a "B" average, be a junior or senior and have contributed ninety hours of work to the Gusher or fifty inches of material in one year to the High Life. An impressive installation ceremony is held for the new members each year. This is followed by an informal banquet where the new members participate in skits. The Byrd Chapter was begun in 1947 and has been active ever since. This club is sponsored jointly by the four publications teachers.

At a morning assembly program each new member receives a ribbon which he will wear until he receives his pin. Charles Anderson receives his ribbon from Jack Mulkey as Shari Dupuy and Ray Longino wait.

First row: Wesley Attaway, John Barineau, Sarah Blevins, Pete Boggs, Billy Bradford, Sara Burroughs, Gail DeLanney.

Students who have earned twenty-five or more points through public speaking in interscholastic competition may become members of the National Forensic League. The points may be earned in debate, humorous and dramatic interpretation extemporaneous speaking, original oratory, or declamation. The Byrd chapter, one of the most active in the Louisiana-Texas district, won the Leading Chapter Plaque first in 1945 and again in 1952. Competing against some of the best teams in the nation, Byrd has compiled a very impressive record, winning first in sweepstakes in several tournaments. Our chapter holds the distinct honor of having won the only National High School Television Contest for the past two years. The Voice of Democracy and American Legion assemblies are sponsored by the N.F.L. every year. The club is directed by Mr. Edward Bacilla.

Finalist in the Voice of Democracy contest were Patsy Stamps, Jean Rogers, and Betty Blewer. Jean, the winner at Byrd, went on to win the parish competition.

PELICAN

Composing the mythical 49th state of our country, representatives from high schools throughout the state met together during the month of August. Elected from Byrd were 16 delegates to Girls' State and 11 boys to Boys' State. The Junior class elected these delegates for their outstanding qualities—those of character, leadership, cooperation, and scholarship. Each representative was sponsored by one of Shreveport's leading civic organizations. They followed a program planned by the American

PELICAN STATE ALTERNATES

These twenty-five students were elected by the faculty and Junior class to serve in the absence of the elected delegates to Pelican Boys' and Girls' State. Each alternate was assigned a number to correspond to the number of a delegate and would have attended the annual session of citizens in the absence of that delegate. The alternates, as well as the delegates, are elected for their outstanding qualities of leadership, character, cooperation, and scholarship. Therefore, to be elected as a delegate or an alternate is a great honor.

Standing: Charles Gautreaux, Sophomore class representative; Eugene Taylor, Senior class representative; Joe Hill, Drum Major; Gordon Gamm, Parliamentarian; Reggie Harris, Second Vice President.

STUDYING IS EXTENDED

In the field of speech, Dudley Youman, Alan Ruben, and Robert Carr represented Byrd at the Baylor Speech Institute for three weeks. Daily classes in poetry, extemporaneous speaking, debate, radio, and other phases of speech were held. At the end of their stay a small speech tournament was held. They placed second in three divisions and first in one.

Discussions were held in Baton Rouge at the Leadership Conference on library work, journalism, speech, and other subjects. Mickey Liscomb, Frances Thurmond, Sarah Blevins, Judy Rothwell, Donna Taylor, Susan Stewart, Margaret Roberts, Jack Mulkey, Paula Garvin, Buddy Daily, Bill Furr, and Jessie Wray exchanged ideas about how to improve schools with students from all over the state.

During the summer student council conventions were attended by Becky Schergens, Hunter Tracht, Brenda Baily, Nancy Pfeiffer, and Gary Montgomery. They learned new ways to improve student council activities. Hunter, Brenda, and Nancy also attended the National Convention in Toledo, Ohio.

In the field of journalism, Gail Delaney, Pattie Rogers, Toni Sherman, Julie Riffe, Jo Clair Jones, and Billy Bradford journeyed to Tallahassee, Florida, to the Florida State University Press Institute, where yearbooks and newspapers were evaluated and ideas were exchanged. Sarah Burroughs, standing at the right, attended a national conference in Evanston, Illinois. Here she received several awards, including a four-year scholarship.

INTO THE SUMMER MONTHS

Held in 1955 for the first time, a camp at Fort Polk has been established as an annual affair for R.O.T.C. boys from both Byrd and Fair Park. Here they learn to use a five-caliber machine gun, M-1 rifle, bayonets, and other weapons. Inspection was held daily, and each day the officers below colonel rotated. The boys had full privileges of the post. During their two-weeks stay in August, they had visitors' day each Sunday. Everyone took turns doing K.P. and night guard duty.

At left, Jack Lamb is industriously cleaning his barracks, as all the boys were required to do. John Davis, above, gives his boots a good shine to make a good appearance at inspection.

Earning the right to attend the State Short Course for 4-H members were Mary McLaughlin, Dale Coleman, Polly Bernal, Ronnie Gardener, Millie Joffrion, Jim McLaughlin, and Frances Joffrion. It was held in Baton Rouge for one week in July. They stayed on the L.S.U. campus. Each person entered at least one of the different contests that were held daily. In state competition Dale, Polly, and Jim won honors in their respective contests.

Suzie Ogier represented Byrd at the national Red Cross convention in St. Louis. Bob Blewer attended the International convention at Hood College in Maryland. Sue Nesom and Cynthia Dawkins, standing, attended the leadership training center in Gulfport, Mississippi. These Red Cross representatives were taught the history of Junior Red Cross, health, and water safety. Leadership was stressed so that the people who attended the conventions could carry back ideas to be used in their schools.

ACULTY

MR. J. H. DUNCAN

Principal

Although Mr. Duncan has been principal of our school for only two years, he has spent his efforts and time willingly and unselfishly on our behalf. Already he has helped in giving us a firm foundation in the fundamentals of education. In his short time here, our principal has contributed much to Byrd High School. Mr. Duncan has proven himself not only a capable administrator but also a worthy advisor. Even though he is kept extremely busy with his numerous duties, Mr. Duncan is found taking care of the "city" personally. The students and faculty have taken him to their hearts as he has taken his job to heart. Mr. Duncan has endeared himself to us by his kindly interest in our welfare and to him we are very grateful.

Mr. Duncan presents the gift of the faculty to Miss Ecker, Latin teacher, upon her retirement this year.

Mr. Duncan visits with the two new teachers, Mrs. Wintle and Mr. Canterbury, in the teachers' lounge.

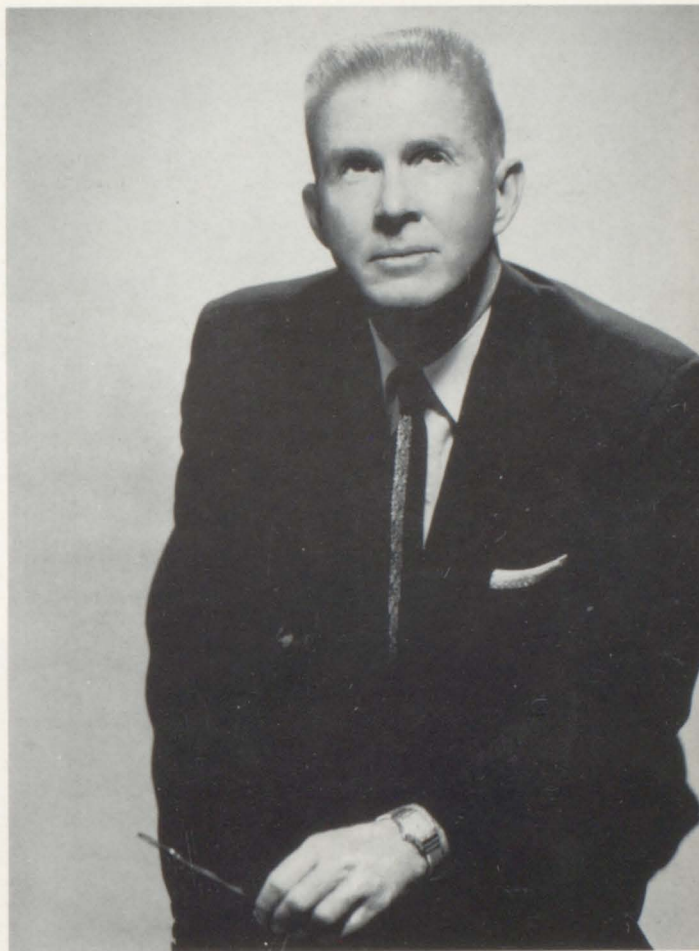

Among the numerous duties of Mr. Duncan is the registering of new students.

Mr. Ravenna has many "junior secretaries" to assist him with his numerous duties. Two of them, Betty Lou Baker and Carole Randolph, check the files with him.

Hailing from Midway Junior High, Miss Alma Lufcy is Byrd's new student advisor. Although Miss Lufcy is only a Freshman at Byrd, she is already an essential part of the school. She is a great help to the students, aiding them in deciding upon the subjects to take. Helping the seniors select a college to attend is another one of her many duties, which she enjoys thoroughly. Whenever a problem arises room 125 is the place to head for advice.

MR. CHARLES A. RAVENNA

Assistant Principal

Mr. Charles A. Ravenna, the assistant principal of C. E. Byrd, can be seen anywhere and everywhere around our school. He is extremely busy in carrying out his duties but not too busy to remember everyone's name. Willing to help any student with his problems, his office is nearly always filled with students.

Bill Smith and Curtis Miller discuss the excellent choice of colleges with our student advisor, Miss Lufcy.

COMMERCIAL SKILLS ARE VERY HELPFUL

The bookkeeping charts are of great help to Patricia Bazer, Frank Smart, and Carolyn Lamberty.

Consisting of shorthand, bookkeeping, Business English, and office practice, the commercial department is beneficial in any vocation and in school. These courses are essential in acquiring secretarial positions.

In this office practice class, students learn how to use their knowledge of the adding machine, the mimeograph machine, the typewriter, and the filing of cards.

TO EVERY STUDENT

Two years of shorthand, one year of bookkeeping and Business English, and one year of typing, followed by one year of office practice are now offered at Byrd. Although these courses are not required for graduation, they have proven helpful to all students in school and in later life.

The mimeograph machine, the adding machine, and the typewriter, three valuable machines, are operated by Annette McClure, Laverne Keiffer, James Harrison, Mardella Luse, Linda Kay Friddel, and Wayne Tew.

As this class has learned from experience, transcribing their notes to their typewriters is a difficult assignment.

These students practice other valuable skills learned in the commercial department, such as card filing and use of the mimeograph machine.

DISTRIBUTIVE EDUCATION

Major Spence and Mrs. McClendon enjoy the Distributive Education Club tea.

Training in a selected vocation is offered by the Distributive Education program at Byrd. D.E. operates through state and local school systems to provide specialized education for those persons entering or already employed in retail and wholesale selling. Training on the high school level is a combination of classroom instruction and actual supervised work experience in various occupations. This course is open to all junior and senior students who meet the requirements of personality and responsibility. D.E. helps a person make an intelligent choice in some field of work and develops a sense of responsibility early in life.

Words are power. These Freshmen are shown receiving instruction in the use of the dictionary.

Reading, oral speaking, writing, and listening are the four levels of learning offered by the English Department. These levels affect every subject in both high school and college. Graduation from Byrd requires four units of English. An appreciation of literature, of America and of the world, is gained through the English courses at Byrd. Literature enriches the lives of the students by acquainting them with the thoughts of great writers. Students are instructed in grammar to prepare them for theme writing, reports, and use in their future lives after graduation.

BYRD OFFERS LE FRANCAIS, ESPAÑOL

Whether it is "travailler," "laborare," or "trabajar," all foreign language is "to work." Byrd students are very fortunate to have a language department as complete as ours in which to study. Our French department includes giving instruction to first and second year students. In the Spanish department the three teachers have first, second, and third year classes. The Latin department, which has three teachers, offers up to four years of study.

A home economics classroom is a busy place, as this picture clearly shows.

HOME ECONOMICS . . . is offered to all girls

There may be some doubt as to the usefulness in later life of other courses taught in high school, but it is generally agreed that the Home Economics Department produces skills to be put into practice. Not only do the girls learn to cook and sew, but they also learn the essentials of being a good hostess and having a well-rounded personality. Home decoration is important, too. The students are taught the significance of design and color combinations in this medium as well as in the field of fashion. They also learn good grooming habits and the importance of a neat appearance. This year a new course in home living has been started and is open only to seniors. Along the cooking line, the girls learn new and different recipes which they will use again and again in the future. Home economics is something all girls should learn, and there is no better place than in our wonderful department at Byrd.

Luanne Wingfield has a right to be proud of her lovely cake. It shows that she has benefited by her home economics training.

While Miss Purvis is helping another student, Susan Baird waits her turn for some expert advice.

Before Christmas Mr. Keith Tuggle of Sasheen Ribbon Company demonstrated package wrapping to the girls.

Many implements are used in cooking, as Luanne Wingfield, Marian Meador, and Phyllis Kennedy show.

Now the result will be shown. Diane Veuleman removes the finished product while Joyce Clayton watches.

as a preparation for the future.

Cleaning up is an important part of cooking. Shown demonstrating this fact are Mary Ann Friday, foreground, and Sandra Foster.

In the annual home economics style show, Jeannette Davis, left, and LaVerne Keiffer are shown modeling clothes which they have made.

The activities of the band include concerts and marching at the half time of the football games. This year for the first time Byrd has begun work on an orchestra with Mr. Walter Caughey in charge. Art, which is taught by Miss Betty Lawrence, is a very important subject for it aids in developing the talent of many students. Mr. Robert Hallquist directs the Choir, which participates in concerts and assembly programs. The librarians are Mrs. Dorothy Hanks, Mrs. Frances Daugherty, and Mrs. Lucile Tindol. Our library is filled with many books and visual aids which are helpful to students in all their subjects. Although the courses in this department may not be required for graduation, each enrich the lives of many with art and culture.

Seven courses in math are offered at Byrd. In his first year at Byrd a student may take either general math or freshman algebra. When a student enters his second year, he will usually choose between plane geometry, a study of squares, circles, and other figures, or business arithmetic, a course in which advanced arithmetic is applied to business. As he enters his third year, a student will usually select solid geometry, a study of figures with three dimen-

sions, or advanced algebra in which logarithms, quadratic equations, and many other interesting subjects are studied. Finally in his senior year, trigonometry, which brings algebra, geometry, and arithmetic into use, will probably end his study of high school math. Even if a student pursues his education no farther, the knowledge of math gained in high school will greatly benefit him.

Stephen Crane uses signed number scales and similar triangles to show other advance algebra students, Cam Payne, and Dick Drummond, how to obtain the rules for multiplication of signed members.

Jim Wheeler and Thomas Barr explain to Patsy Morgan how they used principles learned in plane geometry to derive the theory of Pythagoras.

This year, with the help of new tools and equipment provided by the school, students are able to exercise their skill and knowledge to the best of their ability in new courses in the department.

The well organized mechanical drawing classes give the students of Byrd an opportunity to learn skills needed after graduation; it teaches exactness and precision. This department has been expanded this year by the addition of expensive and needed equipment in three new rooms.

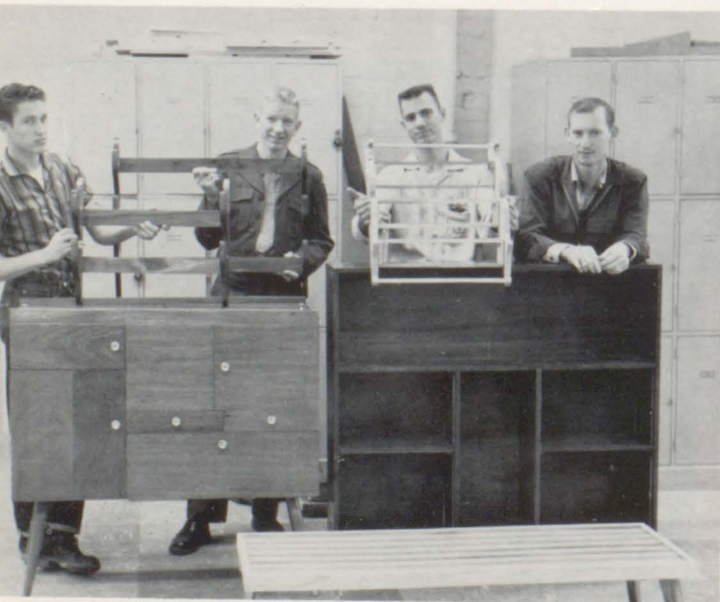

A new industrial arts course has been added. General Crafts offers a wide study in different crafts, including leather work, pottery, and metals.

General science, a study in general scientific principles, is the only science course freshmen may take, but sophomores, juniors, and seniors have a choice of biology, chemistry, and physics. In biology, the plant and animal kingdoms are studied. In chemistry the elements and the laws which govern their reactions are studied. Physics, a study of changes in matter and energy that happen without changing their form, is the most advanced science course offered at Byrd.

In order to enrich our educational program, Byrd has made arrangements with the Shreveport Industrial School to allow our students to attend their classes while enrolled at Byrd. The first part of the day is spent at the trade school, the second part in Byrd's classrooms. These students graduate from Byrd and from the trade school in four years and are ready to begin their chosen profession. The Trade School offers such courses as automobile repair, welding, radio and television repair, barbering, and machinery.

At Byrd the social science department offers courses dealing with past, present, and future history. These courses are helpful after graduation, for they aid us in making us better citizens of tomorrow and are beneficial in any vocation.

Graduation from Byrd High School requires one unit of credit in civics and one unit of American history. World history is not required for graduation, but it may be studied by those students interested in learning about the ancient history of the world. World geography, a new course offered for the first time on the high school level, deals with international problems as well as geographical places. These courses are of major importance because they create an appreciation of our past history as well as an interest in our present history.

The principal aim of R.O.T.C. is to teach the cadet the basic principles of leadership and a better understanding of military life. Any Sophomore, Junior, or Senior boy may take R.O.T.C., although it is not required. The classes meet daily and are usually under the instruction of the cadet officers. Byrd and Fair Park are the only schools in Louisiana that have R.O.T.C. units. The Regimental Staff is at Fair Park this year, but will return to Byrd next year. A new instructor has been added. SENIORS LOOK BACK

Seniors at last. For all of us diplomas and graduation are in sight. During our Freshman year we marveled at the workings of the City of Byrd as it took part in state championship games of football and basketball and won the state championship in track. Youth Week and the chapel services were started while we were still freshmen. In our Sophomore and Junior years we again garnered the track crown and added the baseball title in our Junior year.

... The joy of receiving their Senior rings ...

... The excitement of the last Thanksgiving football game ...

... The many wonderful assembly programs given in this auditorium ...

... The relaxing moments in the cafeteria ...

AND REMEMBER . . .

As Seniors we won the district title in basketball and were state runners-up in football.

Construction on the new gym and the new rooms of the school was completed, and we were able to move into them. New Pep Squad uniforms added to the color of the cheering sections in the '56-'57 school year. This year's Seniors will be the first class to use the Municipal Auditorium for their baccalaureate service, and the last to use the Byrd Stadium for Graduation Exercises.

. . . The tension of the last Federal Inspection . . .

. . . The dread of final exams . . .

. . . The thrill of ordering graduation invitations . . .

. . . The mixed emotions, joy and sorrow, of leaving school for the last time.

MR. AND MISS GUSHER

PAT PEAVY and NANCY PFEIFFER

Nancy Pfeiffer and Pat Peavy have been named 1957 Mr. and Miss Gusher for their four years of outstanding service to the school. Nancy is a member of the National Honor Society, Quill and Scroll, was a delegate to Pelican State, and is Secretary of the Student Council. Pat was a delegate to Pelican State, is a member of the National Honor Society, and is Assembly Chairman of the Student Council.

Mr. and Miss Gusher are elected from the Senior class by the Gusher staff. They must have attended Byrd at least three years, must not be on the Gusher staff, and must have given service to the school. The Senior favorites are elected by popular vote of the Senior Class. The four students receiving the majority of all votes are named Favorites; the others received a majority of votes in one category.

THE 1957 SENIOR FAVORITES

SENIOR

RODNEY CLARK

Since entering Byrd in 1953, Rodney has served his school in many ways. He was Parliamentarian of his Freshman class, nominated for Treasurer of his Sophomore class, Treasurer of his Junior class, and President of his Senior class. He has been a member of the Lower Latin Forum and Gayarre History Club. Rodney was a delegate to Pelican Boys' State and received the honor of Most Outstanding Sheriff there. During his Senior year this favorite served as cheerleader and was elected Mr. Mistletoe by popular vote of the entire student body. During each of his four years at Byrd Rodney served as a Student Souncil representative.

MARY McGEE

During her four years at Byrd Mary has been an outstanding student. For three years she has been a Student Council representative and has been very active in debate for two years, serving as President of the N. F. L. this year. This favorite was a member of the Latin Forum for three years and was elected Consul in her Junior year. Also as a Junior, Mary was Parliamentarian of her class, Princess in the Junior Prom, and a delegate to Pelican State. This active Senior is a member of the Quill and Scroll, National Honor Society, and Le Cercle Francais. Mary's other Senior activities include Vice President of the Stingerettes, Maid of Honor in the Homecoming Court, D.A.R. Citizenship Award, and the Girls' Rifle Team. She is a Major in R.O.T.C. and Chaplain of the Officers' and Sponsors' Club.

FAVORITES

RAMONA NAIL

For two years Ramona served her class as an officer; in her Sophomore year she was Parliamentarian, and as a Junior she was Secretary. She was a Student Council representative for one year and served on the Recreation Committee during her Junior year. Also, as a Junior, Ramona was Queen of the Junior Prom, the friendliest of her class and elected a delegate to Pelican Girls' State. For three years she was a member of the Choir. In her Senior year this favorite was Queen of the Homecoming Court and Lieutenant Colonel of the R.O.T.C. She has been a member of the Allied Youth, Gayarre History Club, and the Drum Corps of the Stingerettes.

DICKIE CARPENTER

For three years this popular senior has served as a class officer. In his Sophomore year he was Sergeant-at-Arms; in his Junior year he was President, and he was elected Vice President in his Senior year. Dickie's ability in football is evident, for he lettered during his Junior and Senior years and was elected to the all-city and all-district teams. He was chosen the Most Valuable Player and served as captain of the team in his Senior year. Also in this year he was chosen for the second all-state team. This Senior served as captain of the track team and has run track for two years. Other honors of this favorite have included Lord in the Junior Prom and President of the Varsity Club.

Many sophomore girls take home economics. Concocting a new dish are Annette Hooker, Virginia Bray, Mary McLaughlin, and Gloria Brown.

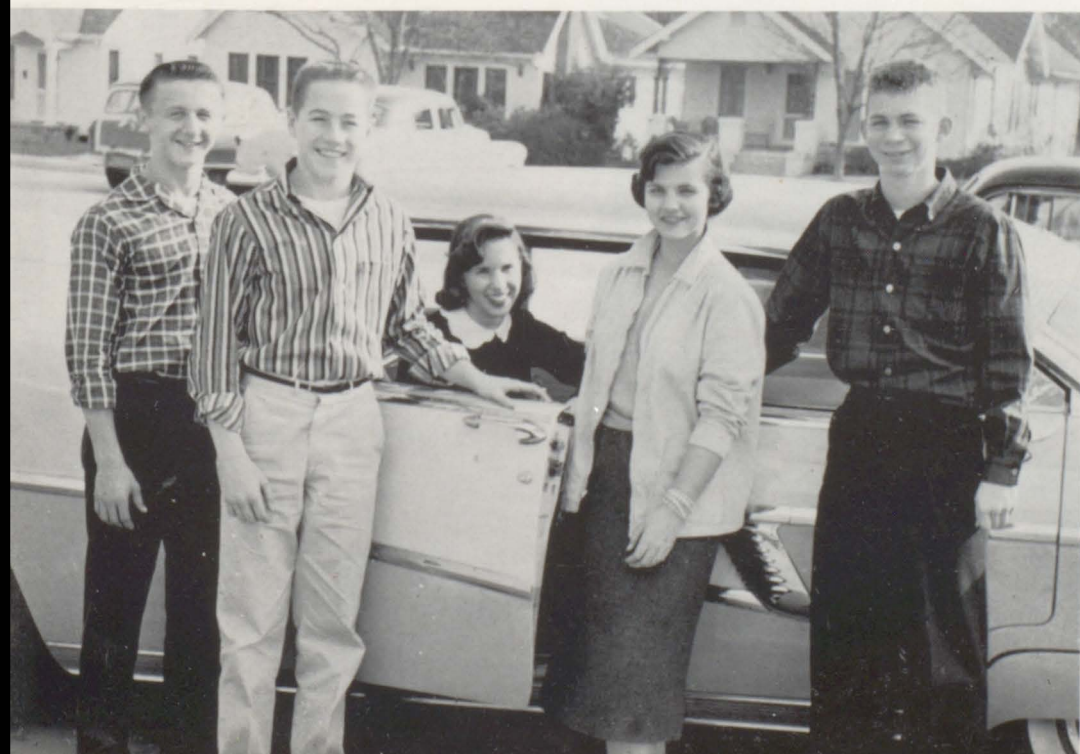

Boys are allowed to begin R.O.T.C. training in their sophomore year. Here they march back to the armory to return their weapons after a parade.

In plane geometry classes sophomores take an active part. Here Judy Chapman explains a problem while Lila Carrow and Paul Nelson watch.

Head Football Coach
LEE HEDGES

Coach Hedges sends play in from the bench.

"Young and inexperienced" was the title given the Varsity Byrd Yellow Jackets by the press in the pre-season ratings. This may have been true, but the Jackets were not without spirit. Led by Head Coach Lee Hedges and his fine assistants, the Jackets were able to overcome lack of experience with desire. This desire to win, that Byrd teams in the past have shown, built the Jackets into one of the top AAA contenders in Louisiana.

Ignoring predictions, the Jackets posted impressive victories over Sulphur, Texarkana, Bossier, and West Monroe. After being beaten by a fired-up Bolton team, the Jackets played one of their best games of the season in a losing cause against Baton Rouge High. A defeat at the hands of Istrouma followed.

RUNNERS-UP

Then the Jackets started a four-game winning streak that included the defeat of the Fair Park Indians on Thanksgiving day and the winning of North Louisiana AAA championship.

The victory over Fair Park gave the Jackets the right to meet Lake Charles in the State semi-finals. The Jackets downed the Wildcats 13-7 and gained a chance to meet Istrouma for the State AAA championship. Again the Jackets played one of their best games, but lost 14-7 to a strong Istrouma team.

On December 14, the 1956 varsity put away their pads and cleats for the last time, closing a successful season of nine wins against four losses.

Assistant coaches: J. D. Cox, Woodrow Turner, Scotty Robertson, John Rogers.

First row: Pat Studstill, Bill Rainer, Bobby Aldidge.

Second row: Robert Hiller, Larry Phillips, Sonny Jacobs, Ford Gibson, Bill Robinson.

Third row: Charles Peatross, Robert Davis, Jimmy Trickett, Joe Zaffater, Homer Blane.

Fourth row: Vaughn Evers, Robert Shemwell, Gene Jones, Buck Trussell, Larry Rambin.

BYRD—6 SULPHUR—0

Opening the season the Byrd Yellow Jackets beat a tough Sulphur team 6 to 0. The Jackets struck early in the first quarter after recovering a Sulphur fumble on the 20-yard stripe. Sonny Jacobs pushed the ball to the 7-yard line, and Charles Peatross scored from 7 yards out. The Jackets again recovered a Sulphur fumble on the 30-yard stripe, but couldn't convert the fumble into a score against a tough Sulphur defense. Only once did the Tors threaten the Jacket goal line. The Jacket defense sparkled with Bobby Hamm, Dickie Carpenter, and Don Davis playing outstanding ball.

Sonny Jacobs gains against Sulphur.

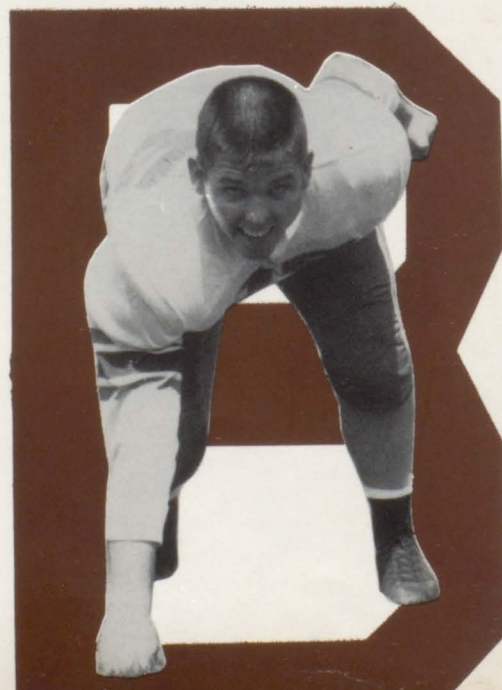

Pat Studstill punts the ball out of danger.

BYRD—26 TEXARKANA—19

Byrd's right tackle Hartie Spence recovered a bad pass from center in the final period in the Texarkana end zone to cap a wild-scoring spree. Byrd's running crew of Sonny Jacobs, Charles Peatross, Pat Studstill, and Vaughn Evers ran the score up to 19 to 0 for Byrd at the end of the first half. The game was not over, however, a fired-up Texarkana team ran the score up to 19 to 19 before the Jacket forward wall consisting of Dickie Carpenter, Bobby Hamm, Buck Trussell, Jerry Didier, and Bill Robinson stopped the march. It was not until the fourth quarter that Spence broke the tie and climaxed a thrilling game.

BYRD—53 WEST MONROE—0

Pat Studstill and company ran the West Monroe Rebels ragged as the Hedgesmen waded into AAA competition with a 53-0 victory over the Rebels. Studstill scored three times straight to put the game out of the reach of the Rebels. After this, the Jackets played all the reserves; line coach J. D. Cox used 23 linemen before the night was over. The Jackets scored at least once in all the quarters. Breaking into the scoring act were Vaughn Evers, Sonny Jacobs, JoJo Pittman, Bo Campbell, and Homer Blane. Blane, a tackle, scored by falling on a blocked kick in the end zone. Playing a large part in holding the Rebels to 24 yards gained were Carpenter, Spence, Hamm, Zaffater, and Heinsohn.

BYRD—12 BOSSIER—6

A crowd of 15,000 watched the Byrd Yellow Jackets fight off a Bossier drive in the closing minutes of a tense game to nudge the Bearcats 12-6. Byrd scored the first touchdown with Pat Studstill carrying over from 24 yards out. Bossier came right back with James Hooper scoring on a 96-yard run to equalize the scoring. Four plays after a 47-yard pass from Don Davis to Ken Bond, Bo Campbell crashed across from the one-yard line. Couch missed his second conversion of the night and the score stood 12-0. The rest of the second half was nip and tuck until the last two minutes when Bossier recovered a fumble on Byrd's 12. The over-anxious Bearcats were stopped by the brilliant playing of the solid Jacket line led by Buck Trussell and Jerry Didier.

Bo Campbell turns the corner against the West Monroe Rebels.

DICKIE CARPENTER—Senior

BYRD—14 BOLTON—20

"Small and fast" describe the fired-up Bears from Bolton. They played as though they had preped the whole year for their game with the Jackets. The spirited Bears wasted no time as they riddled the Jacket defense to score three times in the first half. Going into the second half with the score 20 to 0 the stunned Jackets decided to do something about it. A Davis to Bond pass provided one touchdown. The Jackets were able to score again as Don Davis went over from the 6-yard line. The Jackets were marching again, but the time ran out. The outstanding play of the night for the Jackets was the forward pass used often with telling effect. It almost pulled the game out of the fire. Thus, a spirited Bolton squad was victorious over Byrd for the first time since 1951.

Pat Studstill starts one of his many long runs against the West Monroe Rebels.

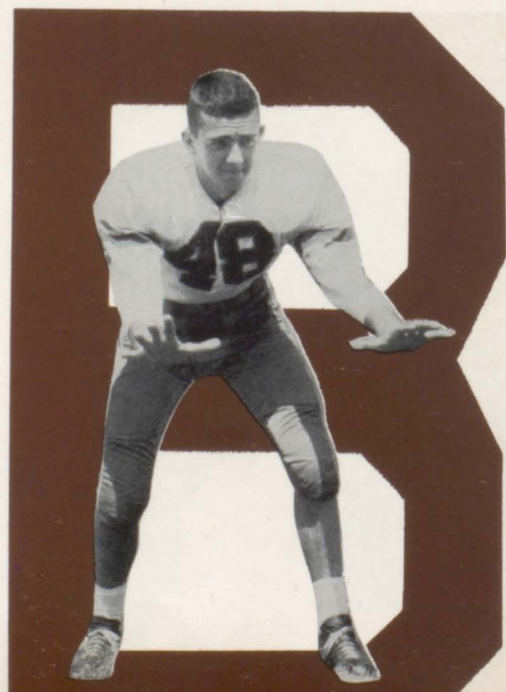

Indians stop Bo Campbell after a short gain.

BYRD—7 ISTROUMA—14

Capitalizing on a fumbled punt try by the Jackets deep in their own territory, the Istrouma Indians scored early in the game. The first score came as the result of two crossbucks and a short plunge by Istrouma halfback Rodney White. In the same period Don Smith scored from 3 yards out. The Jackets broke the scoring ice midway in the first period as Joe Zaffater fell on an Indian fumble. The Jackets moved to the 9-yard line led by the fine running of Sonny Jacobs. Jacobs again shook off would-be tacklers to move to the 5-yard line. From the 5 he powered and fought his way into the end zone for the lone Jacket tally. Couch converted, and this ended the scoring. The second half was a defensive battle, and neither team scored. Outstanding in the losing cause were linemen Hamm, Zaffater, Carpenter, and Didier.

BILL ROBINSON—Senior
End — Letterman I

Jacket line stops Joe Harris for a short gain.

BYRD—0 BATON ROUGE—7

"Roughest game of the season" describes this very evenly-matched game between the Baton Rouge Bulldogs with their powerful single-wing attack and the Byrd Yellow Jackets with their versatile split-T and passing attack. Byrd began to show its speed and power early in the game. After a fine kickoff return the Jackets marched 55 yards to the Bulldog 3-yard line only to be stopped by a penalty. From then on it was Byrd's defense against the "touchdown brothers," Joe and Wendel Harris. In the second quarter Wendel Harris scored from the 4-yard line on an end sweep. Except for a late game drive during which the Jackets held the Bulldogs 4 downs on the 3-yard line this concluded the scoring.

CHARLES PEATROSS—Junior

BYRD—7 OUACHITA—0

After a three-game losing streak the Yellow Jackets regained their winning ways by stopping a tough Ouachita team 7-0. The Jackets drove up and down the field inspired by the quarterbacking of Don Davis, but couldn't score. The Lions had the ball only a few times in the first half and didn't threaten the Jackets' defense. It was not until the first play of the third quarter that the Jackets were able to push over a touchdown with Charles Peatross carrying over from the 4-yard line. Couch kicked the extra point.

Jerry Didier breaks through the hoop before the Baton Rouge game.

SONNY JACOBS—Senior
Halfback — Letterman II

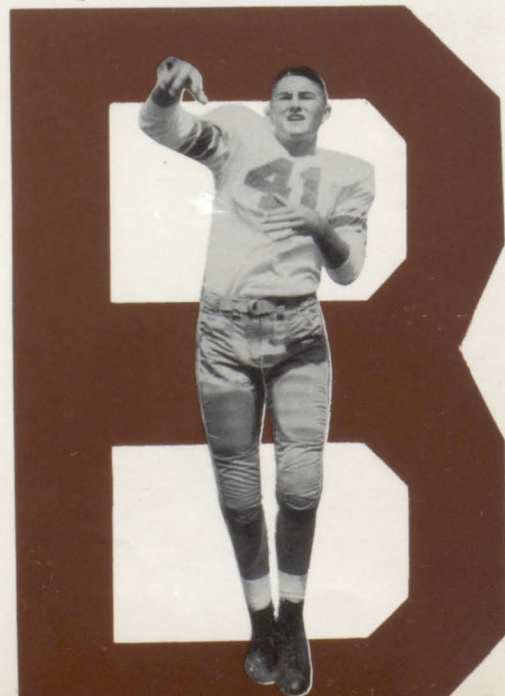

Byrd scores its first touchdown in the Bastrop game.

Byrd's homecoming plans were climaxed by the Byrd Yellow Jackets putting on a power show in the final half to defeat the Rams of Bastrop High School 27-6. Fullback Charles Peatross crashed across the goal line from three yards out to start the scoring. Halfback Sonny Jacobs breezed through the Ram defenses for a pair of scores. In the final seconds Halfback Vaughn Evers rammed across the goal line for a touchdown and Grantham Couch kicked his third extra point of the night. The Rams took the kickoff after the touchdown, and Larry Ryder of Bastrop lapped up 95 yards for the only Bastrop score. The victory would not have been possible without the performance of such defensive standouts as Dickie Carpenter, Bobby Hamm, Robert Davis, Buck Trussell, and Joey Zaffater.

Springhill's big quarterback Donald Sessions found it rough going against Byrd's rugged forward wall led by Dickie Carpenter, Hartie Spence, and Jerry Didier. The Byrd defense impeded the Springhill offense time and time again, while its own offense, led by the running of backs Sonny Jacobs, Charles Peatross and Bo Campbell, ground out yardage to defeat the Lumberjacks 18 to 0. In the first period a drive sparked by Peatross and Jacobs was climaxed by Jacobs skirting over from 18 yards out. In the third quarter, Pat Studstill ended a 69-yard march by crashing across from the one-yard line. With two minutes left to play, the Jackets pushed across another score with Larry Phillips doing the honors from two yards out.

BYRD 32

November 22—Shreveport. From the opening kickoff, the outcome of the Turkey Day Classic was evident. Byrd outclassed and outthustled the Indians, gaining considerable yardage on the ground for three touchdowns and scoring two touchdowns on passes. Fair Park's ground and air attacks could not penetrate the excellent Jacket defense. Robert Davis, with many bone crushing tackles, Jerry

Didier and Don Davis were outstanding on defense. Scoring honors were evenly distributed among Don Davis, Charles Peatross, Sonny Jacobs, Dickie Carpenter, and Vaughn Evers. Peatross was the workhorse of the backfield as he gained yardage when it was needed most. He also reeled off the longest run of the game, a 61-yard dash off tackle. Coach Hedges cleared the bench of reserves for the second half as there was no doubt of the outcome. Fair Park's score came in the last few seconds of the game to prevent a shut out. The victory over the Indians gave the Jackets the District Crown and a chance to meet Lake Charles in the State semifinals in Shreveport.

STATE SEMI-FINALS

BYRD—13

A pair of first-quarter touchdowns and a strong defense put the Jackets over Lake Charles in the State Semi-final game. Charles Peatross was the offensive hero. He scored one touchdown and set up the other with fine runs. Bo Campbell scored the other touchdown, and Grantham Couch added the extra point. The Jacket's defense was able to stop the Wildcats' high-scoring halfback, Tom Mason, and held the State's second-rated team to a lone tally. The terrific defensive game was headed by Jerry Didier, Bobby Hamm, Robert Davis, Don Davis, and Bo Campbell. Davis and Campbell each intercepted Wildcat passes at

crucial times when the visitors threatened to start moving downfield.

The magnificent Byrd line stopped Lake Charles on the goal line in the third quarter. This goal line stand and another gallant effort on the twenty-yard line proved to be the downfall for Lake Charles. This victory marks the third time a Shreveport team has beaten Lake Charles in the Semi-finals. The victory also gave the Jackets the chance to meet the Istrouma Indians in Shreveport for the State Championship.

Victory-happy crowd pours out of the stands after the game.

STATE FINALS

BYRD 7

Istrouma's fullback Don Smith scored all fourteen points for his team and led the Indians to their second win of the season over Byrd and their second State Championship in a row. The game was played in drizzling rain in Shreveport before a disappointing crowd of only 9,000. Smith was almost the whole offense for the Indians. He gained a total of two hundred yards for the night and scored in each of the final periods, kicking both extra points. Pat Studstill scored the lone Jacket touchdown on a pass play from quarterback Don Davis that covered

ISTROUMA 14

58 yards. Grantham Couch converted for the extra point. For the Jackets the loss was a heart-breaker after coming such a long way under their new coach, Lee Hedges, and earning the name of "the team named Desire." Names that cannot be left out of the 1956 season are Jerry Didier, Bobby Hamm, Jimmy Trickett, Joey Zaffater, Hartie Spence, Buck Trussell, Larry Heinshon, Ken Bond, Bill Robinson, Dickie Carpenter, Charles Peatross, Don Davis, Bo Campbell, Pat Studstill, and Sonny Jacobs.

"B" TEAM

First row: John Dalton, Johnny Parsons, Phillip Lane, Joe Gordon, David Zaenglein, Donny Gilcrease.

Second row: Bubby Rasberry, Randy Upton, Hayden Hicks, Randy Jack, JoJo Pitman, Phillip Mann.

Third row: Russell Newton, Pete Gaffney, Richard Norred, Bill Fitzgerald, Rieves Grogan, Robin Fletcher.

Two straight years without defeat spells out success for the Bees in a big way. It also spells success for the varsity Jackets next year as the starting lineup will be picked from these boys. Coached by Woodrow Turner and John Rogers they can be sure of having the best coaching. This year the Bees won ten straight games to run their undefeated string for two years to eighteen games. Merritt Chastain, and Jimmy Brown were outstanding on defense while JoJo Pittman was constantly gaining yardage for the Bees. With these boys and more like them the 1957 Varsity can look for success.

The freshman team scrimmages against the Sophomores.

This year's freshman team, posted a five and three record for the season, coached by Scotty Robertson and John Rogers, The freshman team representing the future varsity of Byrd, scored important victories over Bossier, North Caddo, and St. Johns. This year's team was comprised of 31 freshmen from Linwood, Broadmoor, and Hamilton Terrace Junior High Schools. With leading scorers Sonny Parnell and Prima Greppi and such outstanding linemen as Bob Brown and Leonard Morgan, the freshman team shows great promise in speed and strength for the future varsity teams.

Pep squad arouses enthusiasm in assembly.

Friday, November 9, the Byrd High football team capped the Homecoming celebration with a very convincing victory over Bastrop. The court, elected by the Senior class, was presented to the large crowd before the game and was escorted by senior football players.

The returning alumni are introduced by Mr. Duncan.

Present students cheer loudly led by present and past cheerleaders.

Before the game the players eat steak while everyone looks on with envy.

The queen, Ramona Nail, was crowned by Mr. Duncan, and a football was given to the sweetheart, Elizabeth Ogle, by Coach Lee Hedges. For the game, the court occupied a special box seat on the fifty-yard line. After the game a dance was given by the Varsity Club in honor of Homecoming, climaxing a day of exciting events.

HOMECOMING

Honored during the homecoming ceremonies, the senior members of the team form a semi-circle in the center of the field. Playing their last homecoming game are Eddie White, Jim Wilson, Ken Bond, Jimmy Trickett, Bill Robinson, Bob Patterson, and Larry Heinsohn.

Sonny Jacobs dives over for the first touchdown, starting the onslaught for the Jackets.

Mr. Duncan crowns the queen, Ramona Nail, while her escort, Larry Phillips, looks on with envy.

The spirit that was born in the morning assembly increases as the first half is over. The half ends on a note of enthusiasm just as the morning assembly had ended.

The Stingerettes, one hundred and twenty-five strong, line the field in formation for the first appearance of the team.

Racing through a line of Stingerettes, the Jackets, led by the captains, jump through the hoop and take the field.

North Louisiana AAA Champs

After struggling through many long games in which the Jackets couldn't seem to do anything right, Byrd became the Cinderella team by winning the district championship. While doing this, Byrd won eight out of their last eleven games to climax a very successful season. After winning three out of four games, the Jackets came back after the Christmas holidays and began a long losing streak. But as suddenly as they went into it, the Jackets came out. Although we lost 59-58 to Simsboro, this game could be called the turning point of the season. It was in this game that the Jackets really started moving. The team began playing as a team, and they were on the road to success. Once again the Jackets started "to get the breaks" and were now able to win the close games. Many times the substitutes, which Coach Robertson called on, came through brilliantly when they were needed most. Although the 12-16 record is not the best in Byrd's history, the team should rank high because of its spirit and the late season surge which netted them the district crown and a berth in the state play-offs.

Byrd opened its season by down-
ing St. Johns 61-40. Playing in the
new gym with the whole student
body present, the Jackets were a
bit nervous in the first half as they
played very sloppy ball. The score
was tied 22-22 at the half, but a
strong comeback in the second half
gave the win. Dickey Richard paced
the victory with 20 points. Johnny
Byrd's rebounding also helped.

On its second venture into the
new gym, Byrd lost to a fired-up
Bossier team 54-42 in a surprise
upset. One of the main reasons for
the loss was the very poor shooting
and rebounding by the Jackets.
Time after time the Bearkats would
take a rebound away from a Byrd
player after he had gotten it off
the board. The Jacket defense was
the only good thing they could do.

Johnny Byrd led Byrd to a hair-raising 59-58 victory over Fair Park in a non-conference game. It was the inaugural of the new Fair Park gym, and the Jackets didn't treat the Indians politely in their initial game. Byrd led most of the way, and Johnny Byrd's rebounding helped tremendously. Fair Park led at one time 38-36, but Johnny Byrd put on an amazing one-man show. He accounted for 13 consecutive points, which put the Jackets ahead to stay. Rod Yeager's 13 points also aided the Jackets' victory.

A magnificent final-minute rally gave Byrd a 52-48 victory over Istrouma in the first game of a doubleheader. Byrd was leading 28-27 at the half, but was trailing by seven points as the final quarter started. The Jackets then cut the lead to 48-47 with one minute to go. Istrouma then began to freeze the ball, but with 40 seconds remaining Dickey Richard stole the ball and dropped in what proved to be the winning basket. Johnny Byrd's free throw and Ron Yeager's two charity tosses iced the contest as time ran out.

In the second game of the double-bill, the Jackets weren't so lucky. Baton Rouge put on a torrid last quarter to pull away from Byrd and win 66-50. Byrd led on three occasions, but it was never by more than two points. It was Baton Rouge's height which paid off in the last quarter as the visitors out-scored the Jackets 22-10 to win going away. Hunter Tracht was the game's leading scorer with 18 points.

Lovick Johnson's 29 points powered the Natchitoches Red Devils over Byrd 60-51. The Red Devils sported a seemingly safe 9-point lead at the half, but Hunter Tracht and Rod Yeager did their best to overcome this lead. The score was finally tied 33-33, and at one time it was 47-47. But the height advantage and Natchitoches' stamina were too much for Byrd as the Red Devils sewed up the game.

ROD YEAGER—Junior

La Grange of Lake Charles handed Byrd its fourth defeat in the first game of a doubleheader by a score of 43-33. The Jackets' shooting percentage was very poor as they compiled only 13 points in the first half. La Grange, on the other hand, probably had one of its best nights. The Gators hit almost every shot they tried, and their rebounding was matchless. Only a last-quarter surge by the Jackets kept the game from being a complete runaway.

The following night an entirely different looking team took the floor and beat the Lake Charles Wildcats 56-46. Byrd started by taking a 10-0 lead and increased it to 18-5 by the half. The Jackets were hot, and the Wildcats never came close. Leaders on offense were Hunter Tracht and Dickey Richard with 14 and 17 points respectively. Byrd returned home with a 1-1 record over Lake Charles teams, having beat the best team.

The Bolton Bears toppled Byrd 51-47 in a non-district game. The loss left Byrd with a 4-5 record. The game was tied 32-all at the end of the third quarter, but the Bruins out-scored Byrd 19-12 in the last quarter to take the victory. Billy Fitzgerald paced the Jacket attack with 15 points.

BILLY FITZGERALD—Junior

Richard shoots above the heads of the four opponents.

Minden trounced the Jackets 60-47 in one of Byrd's poorest games. Minden led in every quarter, and at one stage of the game led 16-6. Poor rebounding and terrible shooting were the reasons for the bad showing. Tracht was the only bright spot in the Jacket lineup, hitting 50% of his shots, good for 17 points.

A fired-up St. Johns team knocked Byrd out of its own tournament in the first game 46-44. Although Byrd led most of the way, the Blue Flyers came on strong and overtook Byrd in the final quarter. Richard led Byrd's scoring with 19 points. He also made the all-tournament team. The Bossier Bearkats won the tournament by beating Minden in the finals. George Nattin set a tournament scoring record in the El Dorado game scoring 31 points. Nattin also received the Most Valuable Player trophy.

Johnny Byrd is fouled by a Fair Park Indian as he tries for a basket.

Johnny Byrd takes the rebound from a startled Ouachita player.

Jimmy Orton's 27 points led a hot Fair Park five past the Jackets by a 53-43 score. Things seemed to go right for Fair Park all night long as they dunked 27 of 33 charity attempts. Byrd was ahead for most of the second and third periods, but fell before the onslaught of Orton jump-shots and lack of Jacket rebounding. Adams of Fair Park chipped in with 12 points while Tracht and Richard led the line Avenue crew with 13 and 8 points respectively. This game left Byrd with a 4-8 record.

North Caddo pulled a surprise upset over the Yellow Jackets by defeating them 48-46. The defensive teams for both sides played tremendous ball as it took four minutes and ten seconds to put the ball through the hoops. Little Dickey Richard accomplished this feat, and with the help of Fitzgerald's 11 points kept the Jackets ahead until there were 18 seconds left. Ducote of the Rebels slipped past Byrd defenders for a lay-up and the ball game. Logan led the winners with 22 points.

Pushing through a cheering crowd, the 1956-57 Yellow Jackets, clad in the new warm-ups, come on the floor of our new gym.

Excitement mounts as the Jackets and the Bearcats fight for the ball in a close game.

John Byrd's and Dickie Carpenter's rebounding led the Jacket five to their first 1-AAA victory and a tie for second place. The 44-42 score was due to the 18 rebounds and 14 points of Byrd and Richard's 14 points. Aulds and Sanders led West Monroe with 14 and 11 points respectively. Playing in overcoat weather and before only 50 spectators, both teams had trouble hitting the basket. Due to this slow start the score at the end of the first quarter was only 8 to 6 in Byrd's favor. Byrd owned a 28-27 half-time lead. The boys from Byrd were never to be headed after that and were nursing their tight lead at the buzzer.

After many mediocre games this season, things started to look good for the Jackets once again. Byrd drew the Bienville Bobcats, rated as one of the top teams in North Louisiana, in the first round of the Minden tournament. The Jackets showed that they could really play when the chips were down, as they battled hard all the way before losing 35-32 in the closing moments. Although they lost, the Jackets gave signs of what was to come in the future. Richard put seven of his jump shots good for 14 points to lead the Jacket scorers.

With Byrd rooters behind him, Doug Cherry jumps high in a try for the basket.

Once again the Jackets put up a terrific battle before losing 59-48 to Bossier in the Bearkat tournament. A fighting first half saw the Jackets leading at one time by ten points. But Bossier battled back to tie the score 28-all as the half ended. It was after the half that disaster struck. Shooting poorly, the Jackets were outscored by 11 points, which was the deciding margin. Byrd's scoring was spread out among Richard, Tracht, and Byrd. They scored 13, 10, and 10 points respectively.

Ouachita beat Byrd 62-41 in a district game. Byrd's district record was now 1-2. Dickie Crowe of Ouachita and Dickey Richard of Byrd led scorers. Crowe hit 24 points getting 18 of them in the first half, and Richard got 19 points.

The game with Simsboro in the Fair Park tournament was the turning point of the season for Byrd. Although Byrd lost 59-58, the team's spirit and desire to win had returned. The Jackets began to play as a team once more, and the scoring was evenly spread. Dea, Watts, and Fitzgerald played outstanding floor games.

Fitzgerald eludes a defender as he goes up for a shot against Minden.

Richard was stopped on a drive-in. A few seconds later a pass to Dea resulted in two points.

Tracht tries for two points with a left handed crip shot.

James Watts battles for a rebound.

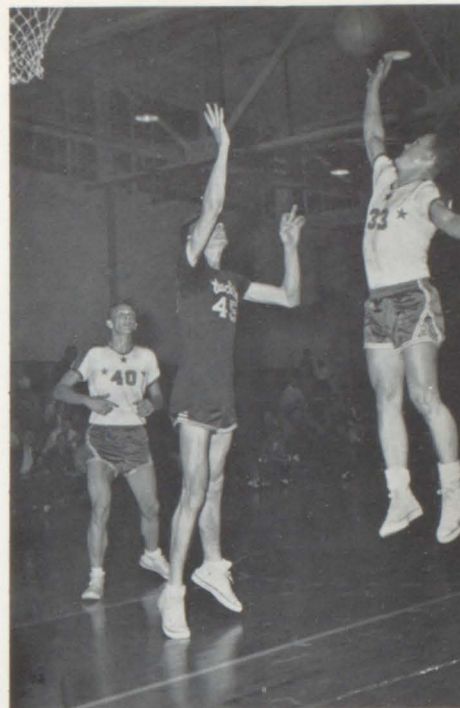

In quick succession Byrd knocked off West Monroe, St. Johns, and Fair Park. The wins over West Monroe and Fair Park gave Byrd a tie for the District Championship. Doug Cherry sparked the win over Fair Park with 28 points.

In the first game of the play-offs Dickie Richard, a five foot eight inch guard, hit baskets from all points on the court as he led the Jackets to a 66-65 overtime win over our cross-town rivals, Fair Park. Richard, who rang up at a tremendous 26 points, had able assistance from Doug Cherry and James Watts with 15 and 10 points respectively. It was Cherry's free throw, with four seconds left in the game, that forced the two teams into an overtime. After that, it was all Richard. Jimmy Orton, Fair Park's leading scorer, controlled the basketball for two minutes and forty-five seconds in the three minute overtime. He took one shot and sent the sphere straight through the cords. With only eleven seconds left, Byrd took the ball down court and led it to Richard who promptly duplicated Orton's feat. Adams of Fair Park fouled him on the shot. "Cool as a cucumber" stood Richard as he sent the game's winning point high into the air to fall straight through the hoop.

It was all but over as Fair Park had time for only one attempt from half-court to save the game. The Jackets were hoisted to the shoulders of the fans and given a well-deserved ride after the victory that gave Byrd first place in District.

Byrd's 71-53 trampling of a first-class Ouachita team saw Coach Scotty Robertson sweep the bench clear of reserves. It was the second win over the Lions in two weeks. This win entitled the Jacket quintet to be 1-AAA District Champs, climaxing an amazing late-season surge.

As far as this game is concerned, the "terrible" Lions could have stayed at home. By the time the whistle blew signaling the end of the contest, all of the Jacket regulars had meshed enough points to hit the double figures. It was the best team effort Byrd had put forth during the season. Dickie Crowe led both teams in the scoring column with 17 points, but did so only because he shot twice as much as any other player. With Richard hitting from the outside and Watts and Dea under the bucket, the Jackets walked away victorious thinking of their coming game in the Bi-District Playoff with Bolton of Alexandria.

Tracht fires a shot from under the goal as Roy Dea waits for the rebound.

After a close win, Byrd supporters carry the District Champions from the floor.

A Ouachita player registers complete dismay as a Jacket drives past him for an easy field goal.

In one of the most exciting games ever played, the "come-back kids" dropped a heart breaking double overtime game 78-76 to Bolton in the state play-offs. The second overtime was played with the understanding that the first team to score two points would win. With only a little more than a minute left in this overtime, Tommy Slaughter, a Bolton substitute, sank a long set shot from the corner to win the game. The whole second half was fast and furious with the lead changing hands many times. Only Byrd's lack of rebounds kept them from winning

handily. Dickey Richard, who led all scorers with 30 points, was a ball of fire in the closing moments. He scored all of Byrd's points during this time, and it was his quick field goal in the first overtime that gave Byrd the lead; Bolton tied the score again just as the overtime was over. In the "sudden death" period, Byrd got the jump. Richard dribbled the ball, and while James Watts set a screen at the head of the free throw circle, Richard fired another jumpshot. But a win wasn't in the book, as the ball rolled off the rim and Bolton took charge.

The future varsity, coached by John Rogers, compiled an 8-7 record for the '56-'57 season. The team was sparked by sophomore guard Bob Watson, who divided his time between the Bees and the Varsity. The prospects for the future seem bright in one respect; the Bees chalked up three wins without a loss against our cross-town rival, Fair Park.

CHAMPS

1957 Track Captains: Joe Hill, Bo Campbell, Dickie Carpenter.

Trainer Leland Guise has served as manager in three of the four major sports at Byrd.

Byrd High School Track team has the honor of being the only team to have ever won the class AAA state crown. Byrd also had the honor of winning the last state AA championship. Last year's team won the state crown, won the Meet of Champions in New Orleans, and placed seven men on the All State team, five of whom are returning for the 1957 season. Under the coaching and leadership of Coach Woodrow Turner, Byrd placed first in all but one of its meets last year. The thinclads are looking forward to another fine year, despite the hard meets that have been scheduled. Coach Turner also has many interesting meets for the freshmen and sophomores who are not on the varsity.

Defending State Champions

COACH J. D. COX

The 1956 Jacket Baseball team copped the state championship title for the first time since 1926. Coached by J. D. Cox, the Jackets won 23 games while dropping only 6. This year the loss of players via graduation leaves the team with a rebuilding job. With only two returning lettermen, Coach Cox will have to pick from a field of Juniors and Sophomores. The two lettermen, Dickey Richard and Don Davis, both All-District choices last season, will add a solid hitting punch for the Jackets. The defending State Champs have a rough schedule this year, which includes Fair Park, Bossier, and St. John's.

Winning first place in the state meet is quite an accomplishment for a beginning team. This is the first year that Byrd has entered in state competition, and the boys' team placed first taking the state championship. Randy Tallman, Finis Prendergrast, Harris McClamrock and Pete Deen won the state meet at Minden for Byrd, but were assisted by John Luker at the district meet, at Natchitoches. Randy Tallman took first place in the 100 meter breaststroke, setting a state record. Harris McClamrock also set a state record in the 100 meter backstroke. The girls' team took a close third place in the state meet with nineteen and one-half points. Outstanding members for the girls' team were Katherine Howard and Alwynelle Self. They were accompanied by Coach Turner to the Minden Tourney.

The 1957 boys' golf team coached by John Rogers appears very strong. Returning lettermen Robert Blewet, Billy Coker, and Rod Yeager furnish experience and skill for a very successful season. Byrd's golf team has won the sweepstakes at the state meet four times in the last six years. In May they will be trying to add another victory to this list. The schedule this year includes El Dorado, Springhill, Tri-State Meet in Ruston, District Championship in Ruston, and the State Championship in Baton Rouge.

This is the second year of active competition for the girls' golf team, and the new team is to be commended for a fine start last season. Three of the top four girls on the team are returning lettermen. They include Joyce Smith, Barbara White, and Betty Cleveland. The remaining five are Ginger Grady, Martha Simmons, Martha Gillispie, Carolyn Curtis and Dema Whitmeyer. This year the Team has matches with El Dorado, Springhill, Tyler, and Neville.

The new weight lifting room has been used to full advantage by the gym classes.

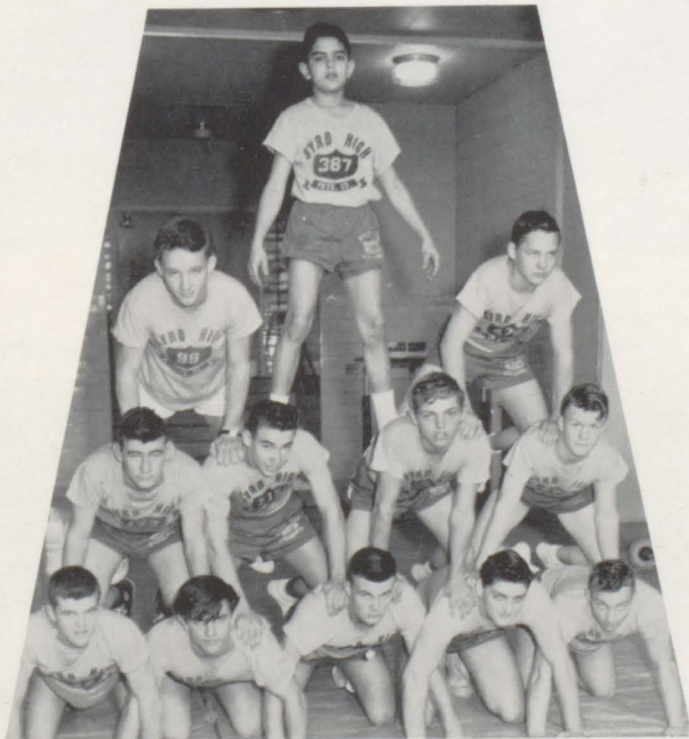

21 Track — Basketball — Relays

Below: Byrd's gym classes stress ability as shown by this student on the parallel bar.

Above: In the spring of the year the interest of gym classes turns to track. Competition is keen among runners and classes.

Below: Precision timing and balance are demonstrated by this physical education class.

Below: Byrd's new gym equipment has aided in the development of co-ordination of the students.

GIRLS' PHYSICAL EDUCATION DEVELOPS

Baseball is one of the many sports offered in the gym classes. These girls put into action what they have learned about baseball.

Learning to make those baskets was hard, but the gym classes mastered it.

Square dancing is enjoyed by these girls as their classmates wait their turn. Through the square dance, the girls learned co-ordination and grace.

Keeping your balance was one of the first things learned in the exercise classes.

All of the students practice warm-up exercises before a tumbling class. Tumbling is a regular unit for Freshmen, Sophomores, Juniors and Seniors.

In a volleyball game, these girls wait anxiously for the next play.

A SOUND MIND AND A SOUND BODY

Practicing basketball in the new gym was very enjoyable for these girls.

Tumbling was learned by the Freshmen, by starting with simple exercises.

Folk dancing was learned by the gym classes, by using actual folk music.

Baseball is one of the most popular outdoor sports with the classes. An entire six-weeks is spent learning the rules and playing the game.

Eight members of the tap-dancing classes are shown practicing one of their steps. A sense of rhythm is developed through the simple steps.

One of the most important factors in this year's outstanding school spirit was our cheerleaders. These senior cheerleaders, elected by the entire student body, attended cheerleader school at Huntsville, Texas, to get new cheers and ideas for arousing school spirit. Byrd's 1956-57 representatives were judged the best group attending the school. The cheerleaders conduct such functions as pep rallies, clever assemblies, and dances after some of the home games. After football season, baseball, basketball, and track receives the cheerleaders' loyal support. With the help of various students, the cheerleaders arranged for the clever introductions of our Jackets at the games through colorful hoops and made the many banners decorating our halls on game days. Everyone is very proud of the great work and spirit of the 1956-57 Yellow Jacket cheerleaders.

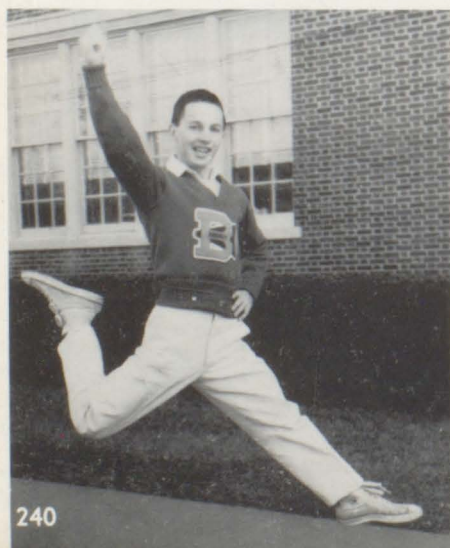

It took hours of practice for the Byrd High Cheerleaders to get the yells perfected.

STINGERETTES

Lift your heads and hold them high, the Stingerettes are passing by—thousands do every Friday night as the Byrd Pep Squad marches into the stadium. Being organized in 1953, the Pep Squad is one of the newest organizations at Byrd. The Stingerettes have done a fine job accomplishing their main goal, promoting school spirit at the numerous athletic events. Approximately a hundred and twenty-five girls participated in the activities of the Pep Squad. The Drum Corps is a very essential part of the Stingerettes. Seniors are eligible for Drum Corps participation.

Sara Myatt, the President, marches the Pep Squad at each of the games.

This year the Pep Squad sponsored a Peep Show to kick off the 1956 football season. The coaches and players were introduced along with the Pep Squad members in their new uniforms. Football programs were sold by Stingerettes at both the semi-final and State games. Each home basketball game was attended by Pep Squad members who sold tickets and ran a concession stand. Each spring as the year draws to a close three senior girls receive an award for contributions to the organization during the past year. Upon graduation each senior receives a letter. Mrs. Lucille Knapp has given much time and effort to the Pep Squad during the past two years. Mr. Thomas Oaks has also helped the Pep Squad members learn to march.

Donna Jouett is in charge of the Drum Corps and is the majorette.

Staff salutes, as the American Flag Passes in Review.

R. O. T. C. BATTALION STAFF

This year our Battalion Staff is composed of eleven Cadet Officers and Sponsors. Each staff member performs a duty which is vital to the running of the Battalion. Every other Tuesday a parade is held. This gives the staff a chance to see the progress made by each of the companies. The Battalion Staff this year is commanded by Cadet Lt. Col. Buddy Ford and Cadet Lt. Col. Sponsor Ramona Nail.

First row: Lt. Col. Buddy Ford, Lt. Col. Ramona Nail, Maj. Eddie White, Maj. Mary McGee.

Capt. REGGIE HARRIS	Sergeant-at-Arms

The Officers' and Sponsors' Club of Byrd High School was organized in 1936 for the purpose of creating greater interest in the battalion and helping better to acquaint all the members with one another. This year the sponsors helped collect money for the March of Dimes. In March of this year they will hold the annual Military Ball, to which every cadet is invited. The sponsors this year are Mrs. Lucille McClendon and Sgt. Gibson.

First row: W. O. Charles Anderson, W. O. Nita Bagley, 1st Lt. Brenda Bailey, 2nd Lt. Tom Benson, 1st Lt. Louisa Biedenbarn, Capt. Pete Boggs.

R.O.T.C. RIFLE TEAM

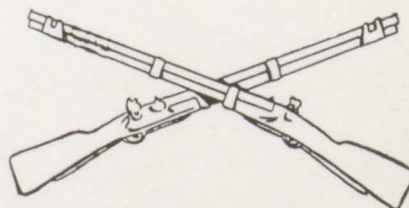

First row: Charles Frith, Lloyd Maseley, Pat Stancil.
Second row: Richard Frasier, Thomas Carpenter, Jackie Lamb, David Spencer.

The Byrd Rifle team is one of the older organizations here at Byrd. In the past they have won many medals and trophies. This year, the Rifle Team has received new shooting jackets, new rifles, and a newly constructed range. They have made quite a few out-of-town trips this year and are making plans for a trip to Northwestern State College later in the year. The Rifle Team Sponsor is Sponsor Capt. Lynda Love. She is assigned to the Battalion Staff with her officer, Cadet Capt. Jack Wiener. M/Sgt. Jones is the Rifle Team instructor.

Their season record is something to be proud of. They won first place at the Jonerville National Matches, fifth place at the Fourth Army matches at Arlington, the city championship, and they beat Tech High School at Fort Worth, who had not been beaten in three and a half years. At the Jonerville match they were fortunate to have a teammate, Harry Pringle, score the highest individual record fired at the entire match. Also, we are ranked as third in the Fourth Army. This rating is from the professional army and not high school R.O.T.C. units.

PATTON PLATOON

"PRESENT . . . ARMS!"

The Patton Platoon is Byrd High School's R.O.T.C. drill platoon. This year they are commanded by Cadet Major Haynes Dugan. These boys spend many long hours of practice after school. They march during the half-time at our football games, at downtown parades, and other special occasions. This year the Patton Platoon will perform in the Mardi Gras celebration in New Orleans. Their sponsor this year was SFC Clark Burrill.

First row: Bill Salley, Jay Rease, Richard Redditt, Tommy Hilburn, Jim Pate, Ricky Biggs, Harold Mitchell, Barry Hope.
 Second row: Joel Campisi, Howard Cade, Sonny Campbell, Johnny Edgar, Jim Fisher, Jim Tucker, Marshall Coyne, Kenny King.

 Fourth row: Captain Dana Kelley, Kenny Gardner, Harold Gibson, Joe Willis, Robert Cobb, David Braly, Danny Harrelson, Lester Walker, Billy Meek, Major Haynes Dugan.

The Patton Platoon Social Club officers are: Joel Campisi, President; John Edgar, Secretary-Treasurer; and Jay Reese, Sergeant-at-Arms.

"Through the platoon . . . MARCH!"

This is one of the ways to turn a platoon around so that they can march in the opposite direction.

The Patton Platoon performs a "swap rifles" movement.

"Wagon wheel . . . MARCH!"

This is a novelty movement used to entertain spectators.

PLATOON MOVEMENTS

"Eyes . . . Right!"

This command is given as the platoon passes in front of the reviewing stand.

"Queen Anne . . . Salute!"

This is another movement, which is very difficult to perform, used to entertain spectators.

BYRD'S "A" BAND SERVES AS

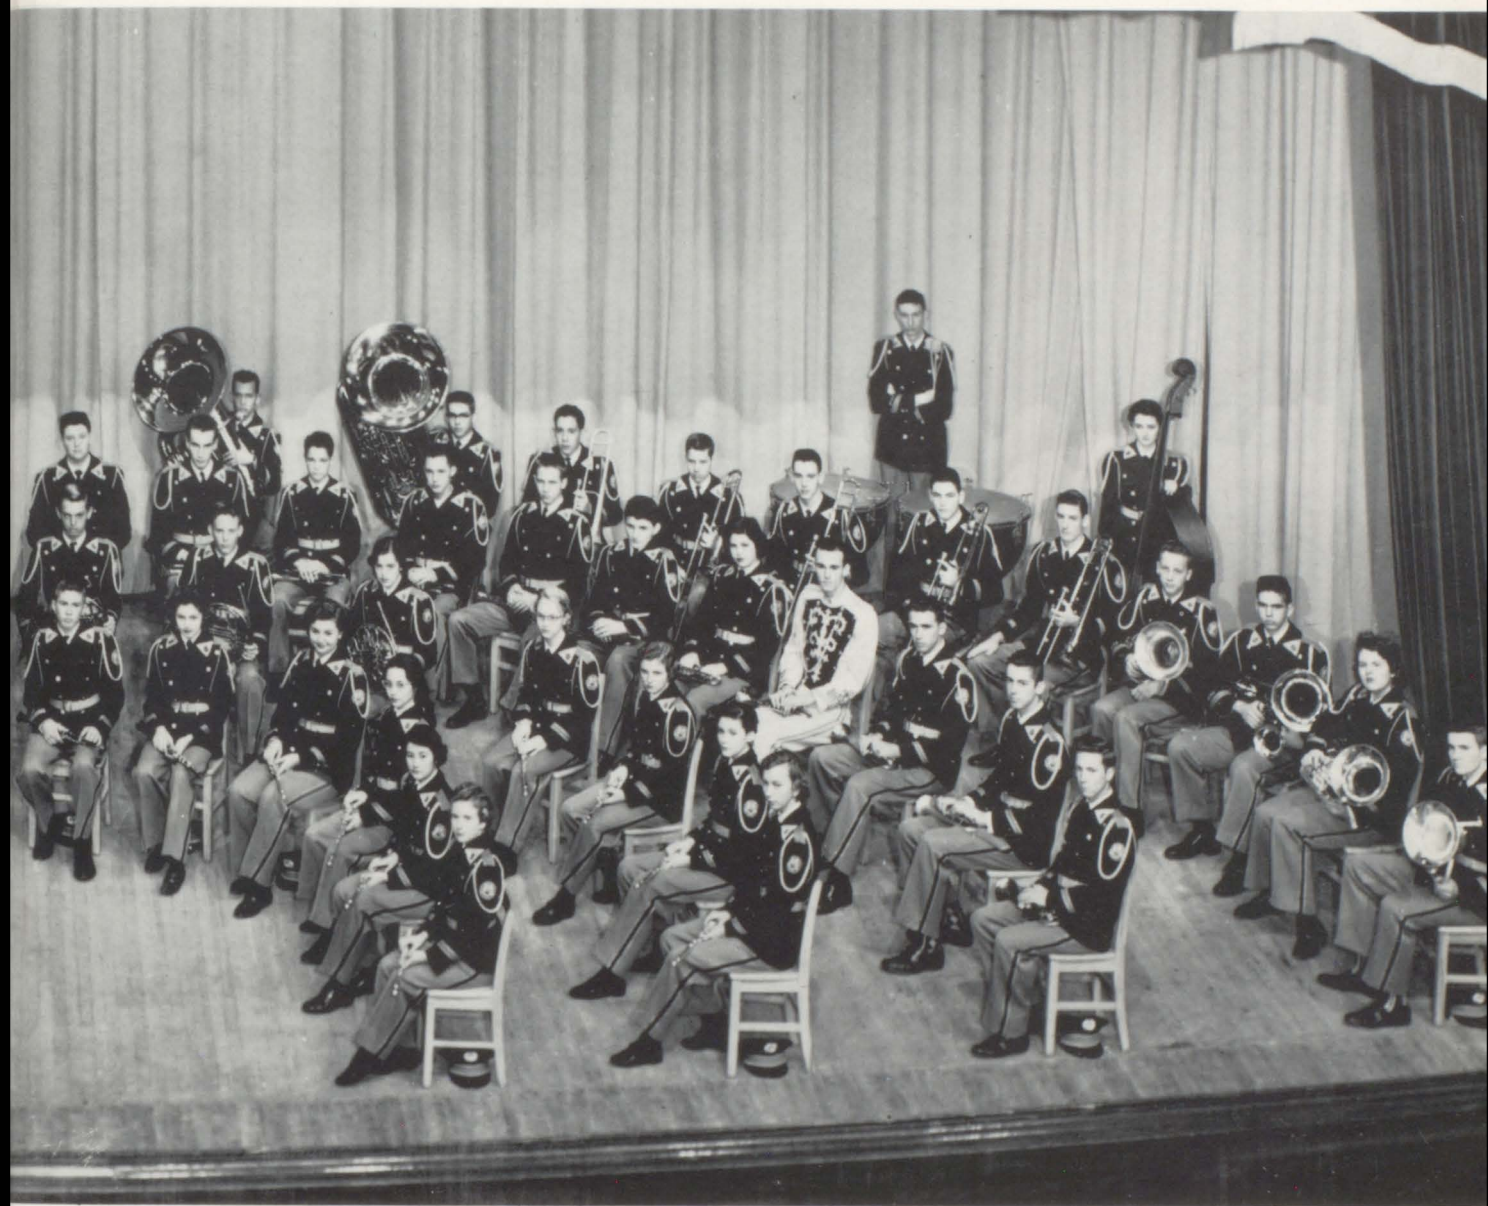

Byrd's "A" Band continues its fine musical performances giving concerts, and supporting school athletic events. Through the course of the year, the band gave three concerts. The first one was given before the State Board Association, which met in the Washington Youree Hotel. The second concert was held in the Byrd auditorium on February 27, and the third one on May 1, with L. Bruce Jones as guest conductor. The band attended a concert held at Natchitoches, March 23 and 24. Solo numbers for the band were played by Kenneth Gates, Randy Tallman, and Kay Reynolds.

The band, at the beginning of the school year, sponsored the appearance of the U.S. Air Force Band in the Municipal Auditorium.

Each year the "A" Band represents Byrd at the Dallas Musical Festival. The queen and the king of the band are elected to represent Byrd at this festival.

The success of our fine band depends on the hard work and cooperation given by both the band members and the fine direction of our capable director, Mr. A. N. Benner.

BYRD'S "A" CHOIR

Each student is auditioned before he becomes a member of the "A" Choir. This year the choir appeared at each of the local junior highs, sang at Youth Week and the Christmas assembly.

On May 14, the choir gave a Gilbert and Sullivan operetta entitled HMS Pinafore.

The choir's project for this year is getting a tape-recorder and a high fidelity set for the music department. The proceeds of all the talent shows and other activities put on by the choir, go toward these purchases.

This year Claude Cameron, Haynes Dugan, Jud Miles, and Don Harris were selected for the all-state chorus.

A first for Byrd's "A" choir for the 1956-57 school year was the moving into their new music department in the recently completed gym.

The director of the vocal music department is Mr. R. N. Hallquist, B.M.

Gathered around the piano are the choir officers, left to right: Midge Martin, Treasurer; Linda Rosett, Secretary; Felix Wheeler, Vice President; Lynn Doty, President.

Colinda Austin, Prissy Poindexter, David Sif-ferd, and Charles Anderson find a good place to keep their choir robes.

Mr. Hallquist is playing as Liberace at the teachers' talent show this year.

MUSIC FILLS

Don Harris, Jud Miles, Haynes Dugan, and Claude Cameron were selected to attend the all-state chorus.

Kay Reynolds of the "A" Band was selected to the all-state band.

The "A" Band had the assembly program this particular Thursday. The program proved to be very entertaining to the student body.

Larry Reedheimer and Diane Dickson of the "A" Choir are putting sheet music into the music cabinet.

Diane Simmons and Steve Murdoch of the "A" Band take the music they are to play this period in the band room.

THE AIR

The "A" Choir is giving the Christmas assembly as they do each year that sets the mood for the true meaning of Christmas.

Mr. Benner is always ready to help one of his band players.

For the first time in our new gym, a section of the "A" band, formed by Randy Tallman plays at the basketball games.

Arriving at the football stadium a little early to warm up a bit are some members of the "A" band.

The "A" Band lines up to march out on the field at the halftime of a football game.

AN ORCHESTRA

Signing up for the newly initiated orchestra with Mr. Caughey are Jesse James, Davy Gibbs, and Gloria Pitchford.

Mr. Caughey distributes music to Jan Nelson, Charlotte Prentice, and LeDean Erickson.

As William Kennedy waits his turn, Mr. Caughey explains the mechanism of a saxophone to Jerry Dunn.

LeDean Erickson watches while Mr. Caughey demonstrates the way Charlotte Prentice should play a certain piece.

"Practice makes perfect," and our orchestra members seem to realize this as they work on their respective instruments.

IS BORN IN 1957

Intent upon their music, these members of the orchestra create a jumble of sound as they practice.

For the first time in its history, Byrd has an orchestra composed of twenty-nine members. Mr. Caughey is its director. Since the orchestra is just getting started, Mr. Caughey will not complete its organization until next year. In the junior high schools string and wind players are being trained to augment the orchestra next year, and the number of members will be almost doubled. Plans for the future center around a well-organized string quartet, which will play for various clubs in the city.

First row: Barbara Scott, violin; Gloria Pitchford, violin; Davy Gibbs, violin; Jon Drindak, viola.

Second row: Jesse James, trumpet; Sammy Woodall, second cornet; Dennie Barber, solo cornet; Robert Sorenson, solo clarinet; Bill Lewis, clarinet; Jerry Dunn, solo alto saxophone; Hartie Spence, tenor saxophone; Jerry Henderson, cello; Kay Reynolds, cello.

Third row: LeDean Erickson, bass; Charlotte Prentice, bass; Bud Davidson, solo bass; Jimmy Smith, bass; Dorothy Patterson, bass; Kenny Ames, drums; David Spicer, drums; Pat Bridwell, drums; Tommy Wynn, drums; David Greer, drums.

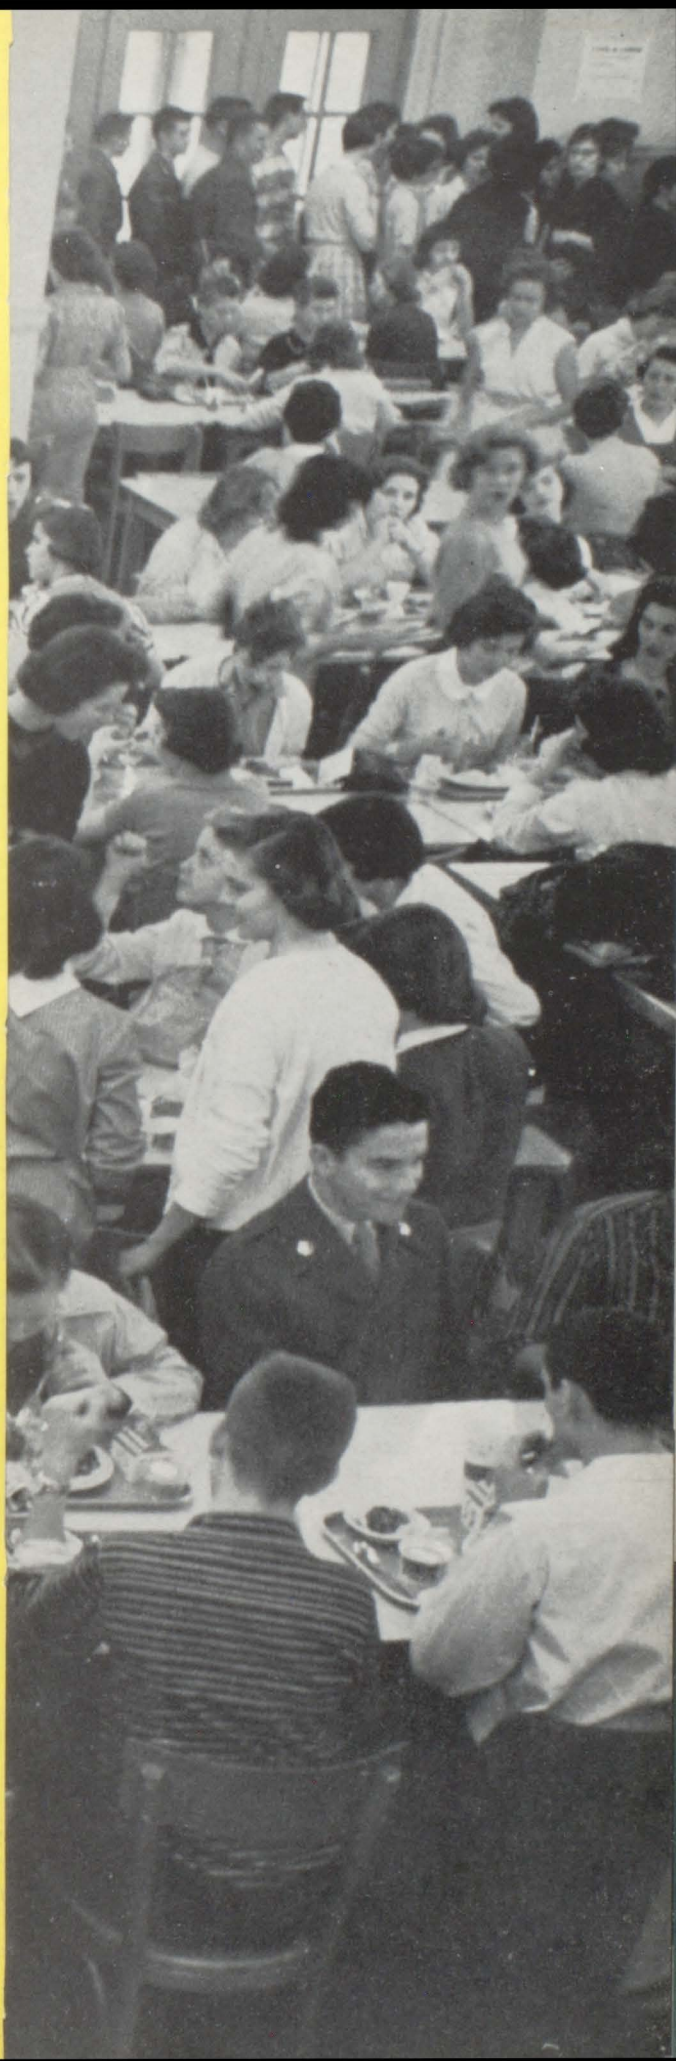

After a hard practice David Spicer and Kay Reynolds leave school.

STAFF ENJOYS PLANNING AND

Symbolic of activities, organizations, and honors in the "City of Byrd" is the GUSHER. Our yearbook is the school diary of events for one year—our accomplishments and failures. The staff would like to give the most sincere thanks to the administration, teachers and students whose cooperation and contributions have made the 1957 GUSHER possible.

The GUSHER staffs consist of the editorial, which compiles your book, the business, which sells advertisement and delivers the book, and the art which assists the editorial with the design and

color of the book. An important part of the editorial staff is the work done by the student photographers who make many pictures which appear in the book.

The 1956 GUSHER won a rating of "A" in the National School Yearbook Association and First Place in the Columbia University Yearbook survey.

It is the sincere hope of the 1957 Gusher Staff that the student body will keep and treasure their GUSHER as a key to pleasant memories of past days.

Preparing to make up statements which are a very important part of the work of the business staff are Jack Mulkey, Advertising Manager; and Jo Clair Jones, Business Manager.

Staff members work all year to make the index accurate and complete. Standing: Buck Trussell, Linda Trusty, Charles Peatross. Seated: Claudia Sturges and Susan Stewart.

Naomi Colbert, Ray Longino, Dickie Richards, and Susan Fullilove select pictures for the class sections of the Gusher.

COMPILING THE 1957 GUSHER

John Barineau, Shari Dupuy, Jim Jeter, Julia Hamiter, and David Tyrrell of the business staff busily write receipts for subscribers.

Sandra Poss, Martha Yancey, Pete Boggs, and Sanda Grage check the picture file for new ideas for the 1957 Gusher.

Without pictures the Gusher could not exist. Many of the pictures in this book are made by Freddy Peters, Walter Amacker, and Charles Anderson, Gusher photographers.

Miss Louise Harris, Business Staff Advisor, and Miss Margee Sanders, Editorial Staff Advisor, take that "pause that refreshes" after a long day of school.

Gusher Records

Presenting the Senior Favorites is an exciting event for these Senior Gusher members: Susan Stewart, Jack Mulkey, Julie Riffe, Billy Bradford, Ford Gibson. The favorites were presented in a February assembly through skits devised by these "mole-people" visiting the surface of the earth.

Susan Weil, George Gilbert, and Bill Hutt are returning their proofs of Gusher class pictures after selecting the best one.

Applicants for the Gusher staff are treated at a coke party.

Pleasant Memories

Students standing in line to have their pictures made is a familiar scene at the beginning of school.

John Barineau, Jim Jeter, Martha Yancey, David Tyrrell, and Naomi Colbert, members of both Gusher staffs, are shown during an assembly given to publicize the Gusher Subscription sale. They discover that the 1957 Gusher is "behind the Green Door."

That last minute look by Lorraine Holley and Kaye Wilson is characteristic of students before having their picture made for the Gusher.

Carolyn Dunmire, Buddy Ford, and Etna Schrivner are shown turning in Gusher subscriptions from their homerooms to Buck Trussell and Tommy Hogan.

These students are filling out applications for the Gusher staff with the hope that they can have a part in the publication of our yearbook.

If It Is Campus News HIGH

Published once every three weeks, the High Life, the official newspaper of Byrd, contains all the current news of the school.

This paper is organized into two groups, the Business Staff and the Editorial Staff. The advertising and circulation groups compose the Business Staff, while the Editorial Staff consists of the art group, the journalism classes who serve as reporters, and staff members who make up the paper.

During the year the High Life sponsors several contests, such as "Mr. and Miss Mistletoe" during the Christmas season, and the "Friendliest" contest in the spring.

Upper left: Busy making up the front page we see the Co-Editors Gail Plunkett and Sare Burroughs.

It Can Be Used in the LIFE

The High Life was judged Louisiana's best AA-AAA high school newspaper in 1956; it was awarded First Place by the Columbia Scholastic Press Association in 1956; and it also won the Quill and Scroll International Honor Rating and Gallup "A" Award in 1956.

Everyone HIGH

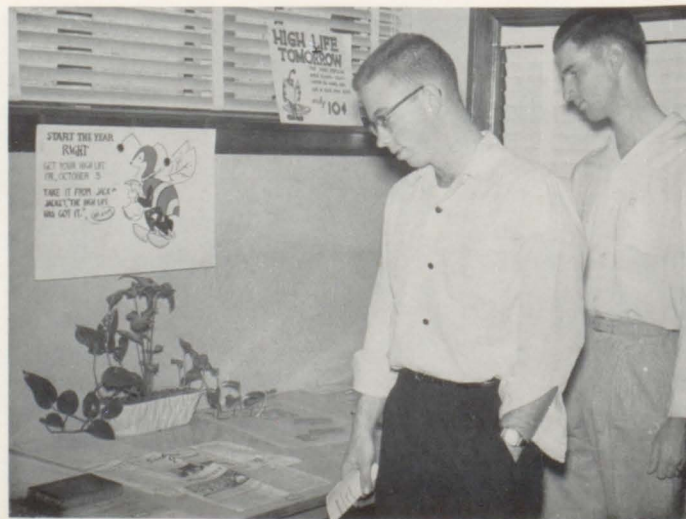

Barbara McNeil congratulates Elizabeth Ogle while Lamar Watts congratulates Rodney Clark for winning the Mr. and Miss Mistletoe contest, an annual feature of the High Life. The winners are decided by popular election from the city's 2600 citizens.

This journalism class is learning the fundamentals of reporting for the High Life. In addition to their classwork these students become regular reporters for the paper. Writing, rewriting, cutting, editing—these are the newspapermen of tomorrow.

At an assembly one Thursday Pat Hentshell, Prissy Clark, and Jean Weeks put on a skit to advertise the High Life sale the following Friday. Right again triumphs through a free press.

At the fall open house these visitors look over the new High Life room and some of the publications.

STUDENT COUNCIL

Organized on democratic principles, the Student Council of Byrd High School provides a laboratory for citizenship training, in which the students are allowed to have direct participation in the school's policies and activities. Since its beginning in 1940, the council has steadily grown in its accomplishments and prestige.

The council consists of the executive committee and representatives from each home room. The executive committee is composed of six elected officers and the chairman of the standing committees.

It is the duty of the representatives to receive from the home rooms, topics and problems concerning the school and present these to the council for discussion and action. In turn, they are to carry the business of the council meeting back to their home rooms. Each committee of the organization is designed to administer to one or more particular needs of the school and is assigned to perform any duty which falls under its jurisdiction.

Some major projects undertaken by the council this year have been: leadership training day, annual talent show, Christmas card sale, service-station day, and Teens Against Polio campaign. Also Byrd acted as the host school for Youth Week, an annual inter-city religious emphasis week. Byrd High School is a member of the National, Southern, and State Associations of Student Councils. Delegates were sent this past year to the NASC convention in Toledo, Ohio, SASC in Tulsa, Oklahoma, and LASC in Bastrop, Louisiana.

The sponsor of the council is Miss Neva Norsworthy.

THE WORK OF OUR STUDENT

This year car stickers were issued to the students parking their cars on the parking lot. Sharon Heffington's name was drawn in assembly for the reserved parking place. The limited parking space makes car pools necessary. After an afternoon of hard work, Sharon and Benny Harris leave the school.

Nancy Evans, accompanied by Stephen Murdoch, sings "Black Magic" at the annual talent show.

Carol Sturges sells a ticket to Kenny Gibson for the annual talent show as Marvis McManus and Charles Boyd look on.

On Service Station Day Annette Maranto serves Patricia Fitzgerald a soft drink while she waits for her car to be serviced.

COUNCIL IS IMPORTANT TO BYRD

One of the council's main projects this year was the selling of Christmas cards by home room representatives. Turning their money from the sale to Miss Norsworthy are Sara Mitchell, Sally Fouts, and Mary Murphree.

For the first time Leadership Day was held for the home room representatives. Four classes were held during the day. The participants enjoyed the day at Lake Bistineau which included a picnic and the group talks. This group is listening to Douglas Yauger talk about the problems connected with school administration.

BOYS' DEBATE

A deep interest in the development of good speaking habits is essential in the organization of the Boys' Debate Club. They start off with a regular business meeting, where they learn the correct application of Parliamentary procedure. A program is then given by a few individuals in the club. Sometimes there is a debate, or someone gives a speech on important happenings or a report from a magazine article. The election of officers is held at their annual banquet at the end of each school year. Also, awards are given for the most outstanding member, and for the best speaker. The sponsor is Mr. Ed Bacilla.

FUTURE TEACHERS

Organized in 1947, the Future Teachers of C. E. Byrd High School is affiliated with the Future Teachers of America. Some of the activities of the Future Teachers were these: serving as pages at the Caddo Teachers workshop for two weeks; serving as guides on Freshman Orientation Day; helping a family at Christmas; surprising Byrd teachers with an apple and a tribute to teachers on National Teacher Day; attending the State Convention of F. T. A. on the campus of L. S. U.; serving at a tea celebrating Horace Mann Day; and rendering service in the school to teachers and administrators and in the community to civic and religious groups.

At the State Convention in Baton Rouge, Kay Charlton served as the State Parliamentarian. This club is sponsored by Miss Lurline Alison.

LOS MAYORES

Since its organization, Los Mayores has been an active part of the City of Byrd. Each meeting provides an interesting program of Spanish songs, games, and talks which bring a closer relation and a better understanding of our neighbors "South of the Border." The highlights of the year include a Christmas Pinata Party and a banquet which concludes the year's activity. Membership in the club is limited to students with a "C" average who have studied Spanish for two or more years. This year's sponsor is Miss Mood.

All members are required to do projects, and although it is strongly emphasized, it is not necessary to enter a project in the Science Fair.

Alwynelle Self, a member of the club, won the Best Girl Exhibitor Award at the State Science Fair and Fourth Place in the National Science Fair. Several other members including Richard Phillips, Jerry Mitchell, Stephen Caine, and Vivian Ames have won honors in the Regional Science Fair.

UPPER LATIN FORUM

The Upper Latin Forum is an active club composed of second and third year Latin students. It meets on the third Wednesday of every month. One of the main highlights of the year is the Latin banquet held in the spring. The club is concerned with creating interest in advanced study of Roman literature and culture. At the meetings skits are performed concerning life in ancient Rome. Presiding over the meetings are two consuls, which in ancient Rome were comparable to our presidents. The club was sponsored by Miss Hetty Ecker until mid-term, when she retired. At this time the club gave her a party and presented her with a mirror. Mrs. Wintle is the new sponsor.

Kay Reynolds, Alwynelle Self, Mary Ann Poindexter, and Marian Fortson representing the Forum, present Miss Ecker with a mirror, the retirement gift of the club.

Joyce Mikeska and Carol Van Hoose break the ice for the punch the Forum served at Go-To-School-Night.

GIRLS' DEBATE CLUB DEVELOPS

Secretary JULIE COURTNEY
 President FRAN WOLF
 Treasurer PATTIE ROGERS

Organized to promote and develop all forms of public speaking, the Girls' Debate Club meets twice a month on alternate Thursdays. An eligible club member must maintain a "C" average, pass a test on the Constitution of the Girls' Debate and be interested in speech work. Debates, parliamentary law drills, impromptu talks, radio programs, and round table discussions are included in the club's activities.

A main event of the Girls' Debate Club is the banquet at the end of school where new officers are installed and outstanding members are announced. Faculty sponsor this year is Miss Margaret Tatum.

First row: Jackie Shapiro, Paula Shapiro, Jean Abramson, La Rae Moore, Ann Lindsey.

Second row: Betty McGuire, Gayle Woods, Carolyn Cummings, Martha Gillispie, Becky Schergens, Maxine Worley.

DISTRIBUTIVE EDUCATION OFFERS

Distributive Education is a vocational training program for people who work in retail, wholesale, and service-selling fields while in high school. Club activities include the annual Employer-Employee Banquet, State convention, national convention, Faculty and Businessmen's Coffee, viewing business films, visiting various establishments, and inviting businessmen to speak to the students. This spring students attended the convention in Monroe and also the national convention in Oklahoma City, Oklahoma. The club is composed of students interested in working in some business establishment while in their junior or senior year of high school.

First row: Donald Jones, Margaret Morgan, Wanda Smith, Marie Rodrigues, Alice Fay Turner, Betty Bunch.

LIBRARY CLUB PROMOTES INTEREST IN READING

Pictured checking out a book at the new circulating desk, one of the various improvements in the library, are Pat Pickett, Judy Rothwell, and Frances Thurmond. Waiting for her book is Carolyn Giles.

Organized in January, 1948, to promote an efficient library service and to stimulate a reading interest, the club's membership is restricted to the present personnel of the student library staff who are interested in the work of the club.

During Book Week, the members of the club participated in home room programs, giving book talks and discussing library arrangement and procedures, in an effort to acquaint students with the library, its facilities, and how to use them. Main events this year were the annual Mother and Daughter tea, the L.T.L.A. Convention, and the Leadership Conference.

LOWER LATIN FORUM

Founded in 1925 by Miss Hetty Eker, the Forum Latinum, one of the oldest organizations at Byrd, was divided into two divisions in 1939 because of increased enrollment.

Based on the Roman plan of government, the club has two consuls, who serve as presiding officers, two scribae who keep the records of the meetings and attend to correspondence; a quaestor, who attends to all financial matters; and four aediles or program chairmen, elected at the beginning of the school year by popular vote.

In addition to plays, music, skits, and contests in both Latin and English, the programs consist of interesting studies from Roman literature and history. Highlighting the year's activities is the annual banquet held at the end of school. Contributing much to the club's success are its high aims and the interest of its members.

Sponsoring the Lower Latin are Miss Irma Robinson and Mrs. Ruth Anderson.

First row: Mary Beth Williamson, Rose Rita Provenza, Irma Sue Toys, Nancy Rhodes, Judye Richards, Judy Miller, Paula Allred, Paula Shapiro.

FUTURE HOMEMAKERS OF AMERICA

Organized in 1930, the Future Homemakers of America provides for the development of better home life for members and their families. Through the years it has developed in its members an interest in home and community life. The Byrd club is affiliated with parish, state, and national organizations. Members enjoy many projects including a Mother-Daughter Tea in the spring, and a Christmas party. Each year delegates attend district, parish, and state conventions. The club also has a booth at the fair. The sponsors of the club are Miss Purvis and Mrs. Hastings.

At the Caddo Parish convention held on February 23, Diane Montgomery was elected treasurer, Marlene Hagedorn, secretary, and Jo Ann Blum, historian of the Parish convention.

Patricia Bazer, President of the F.H.A., lights the final candle during the installation service. The other officers are grouped around her.

CREATIVE WRITING CLUB

In assembly, Jimmy Hartwell and Sam Timpa invite students to join the Creative Writing Club.

Now entering its second year at Byrd, the Creative Writing Club has busied itself with numerous activities in the field of writing this year. The purpose of the club is to encourage all those interested in "expressing themselves on paper."

Among the featured projects of the club were Hobo Day and preparing the club's annual booklet, *Scriptus*. On Hobo Day, the members received calls from anyone who needed jobs done. The pay received was added to the club's treasury.

First row: Gerald Ray, Fran Wolf, Ann Lindsay, Frances Thurmond, Marion Wimberly, Regina Kalman.

Second row: Steve Murdock, Pete Harrington, James Day, Hayes Prothro.

First row: Jackie Rosett, LaVonne Hendricksen, Linda Peloquen, Jean Rogers, Marjorie Hirsch, Lorena Young.

Second row: Dolly Miller, President; Jack Mulkey, Secretary; Julia Hamiter, Vice President; Mary Nell Yauger, Len Udas, Jimmy Hartwell, Sam Timpa, Linda Day.

ENCOURAGES LITERARY INTEREST

The Scriptus is published for the purpose of showing in print the writing talent of the students of Byrd. In May, members of the club sell copies of Scriptus to the citizens of Byrd.

The entire club meets on the third Tuesday of each month, and its various subdivisions on individual appointed days. The sponsors are Miss Lucille McCook, Mrs. Cleo Mohr, and Mrs. Sadie Yarbrough.

On a typical Tuesday evening members of the club busily compose poems and short stories for their book, Scriptus.

Pericles Alexander, drama critic for the Shreveport Times, spoke to the Creative Writing Club one activity period. This program was one of the most interesting of the year.

First row: Melinda Wilson, Katherine Howard, Patsy Stamps, Adelaide McClannahan, chairman.

Third row: Sara Burroughs, reporter, Virginia Bray, Judy Smith, Mickey Liscum, Marguerite Steen.

4-H CLUB

Active since 1935, the 4-H Club of Byrd has won many parish and national honors. At the 1956 Louisiana State Fair, Ronnie Gardner came out on top with a Grand Champion Southdown ewe as did Jim McLaughlin with his Grand Champion Hampshire ewe. Obtaining a first place were Millie Jeffrion in the Junior Dairy Division and Mary McLaughlin in the Hampshire Division.

Officers: Jim McLaughlin, President; Mary McLaughlin, Vice President; Judy Miller, Secretary; Millie Joffrion, Treasurer; Helen Stutts, Parliamentarian.

In accordance with their motto, "To make the Better Best," the members are required to carry on at least one project. Among these are baking, serving, home improvement, dairy, beef, lambs, and gardening. Also, it is required of a member to attend and participate either in the Achievement Day, the Louisiana Parish or State Fairs, or the Baton Rouge Spring Livestock show.

Holding the office of Vice President in the Caddo 4-H Club Parish Council is Frances Joffrion, and the boy delegate to the State 4-H Executive Council in Baton Rouge is Jim McLaughlin. The Council's song leaders are Mary McLaughlin and Polly Bernal.

Faculty sponsors this year are Miss Eleanor Blatterman and Mr. R. A. Smith.

Mary McLaughlin is pictured with her canned string beans which placed her third in the state.

Bob Tobey and Frances Jeffrion are leading their Jerseys to the show area at the state fair.

OUR FUTURE AGRICULTURAL LEADERS

With his Southdown lambs Larry Beadles placed sixth in the state in the middle weight division.

Milly Jeffrion took first place with her Jersey at the fair.

First place in the canned fruits division was won by Miles Turner with his pickled peaches.

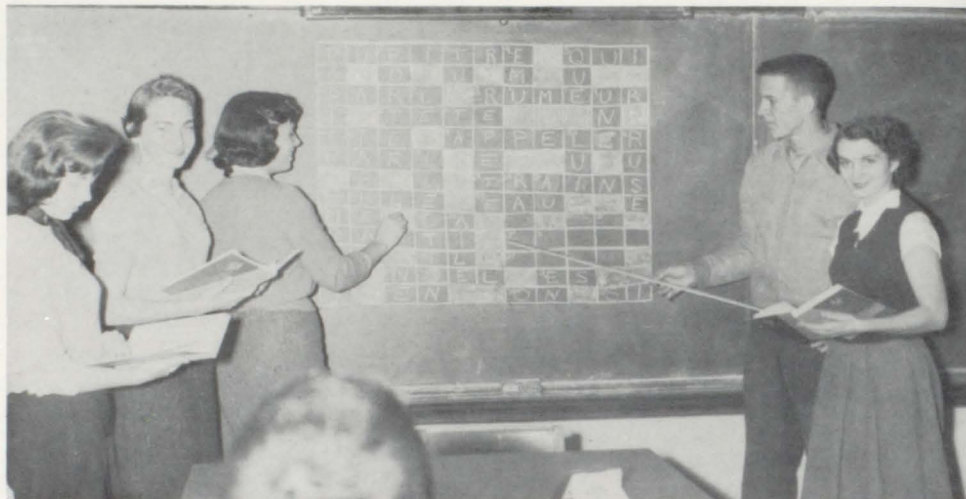

LE CERCLE FRANCAIS

The officers of Le Cercle Francais are as follows: Treasurer, Emily Harris; Secretary, Marcia McBride; President, Gloria Thompson; Vice President, Diane Dickson.

During one of the meetings of Le Cercle Francais a Crossword puzzle was presented as the program. Margaret Roberts is filling in the answers, while Shirley LeBert, Julia Hamiter, Gilbert Carner, and Martha Thigpen are trying to figure out the answers.

Every Tuesday morning, French students go to class to listen to records, which help them with their pronunciation and understanding of the language. Pat Langford, Mike Griffith, Jimmy Hartwell, Susan Stewart, Marion Johnson, Sandra Sims, Jackie Shapiro, and Lynda Love are choosing the record they want to hear.

Many of the French students have poodles which they have actually brought from France. Mary McGee is holding her dog, while Marian Ham, Marlene White, Sandy Groseclose, Dicksey Gerlach, and Gay Grabill admire it.

Melinda Wilson and Harold Mitchell study the pronunciation of French words.

Le Cercle Francais qui fut fondee en 1921 est l'organization la plus vieille de Byrd High School. Les reunions ont lieu le deuxieme et le quatrieme mardi du mois sous la direction de Marie Therese LeBlanc. Cette Societe aide les eleves a parler la langue francaise et a mieus comprendre les coutumes et la culture de la France. VISUAL AID CLUB

For the first time this year, a group was formed called the Visual Aid Club. Any student may become a member by applying to the sponsor, Mrs. Tindol. Members run films in their study hall time on subjects which correlate with the studies of their classes. The members meet with Mrs. Tindol different periods during the day, but they have their regular meetings after school. The Visual Aid Club helps to enrich and bring extra knowledge into the classrooms.

Members of the Visual Aid Club carry shades, projectors, and films into the classrooms to show educational movies. Robert Cobb, Bob Hawkins, and Melvin Drummond assemble the equipment.

Wailing sirens, rushing people, and desperate doctors and nurses working to save a human life. This is what these nurses have been working toward since they were a member of Byrd High School's Future Nurses Club.

Organized in 1954, the Future Nurses Club is composed of girls whose aim is to make nursing a career. This group has made several field trips to hospitals in the surrounding area in order that they might accumulate further information on their chosen profession. On the club's program agenda are two registered nurses who will speak to the group on their career.

The club's faculty sponsor is Mrs. Emily Kirby.

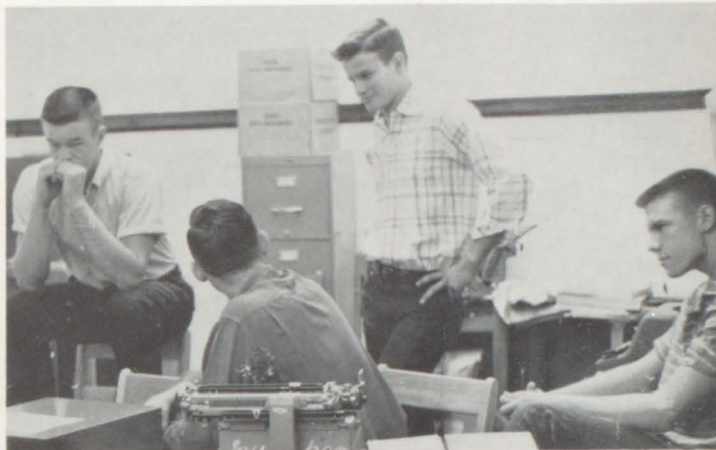

Preparing candy to be distributed among the wards of the hospitals in the surrounding area are Jean Huff and Virginia Lee.

THE OLD ENDS . . . THE NEW BEGINS

Currey Freeman, Joyce Mikeska, Charles Anderson, and Palmer Eiland are planning club projects for next year.

Gusher staff members Buck Trussell, Tommy Hogan, Murray Johnston, and Charles Peatross relax after the March 1 deadline.

Tally Pledger, Ford Gibson, Tommy Carter, and Charles Ford put away the choir risers for the last time this year.

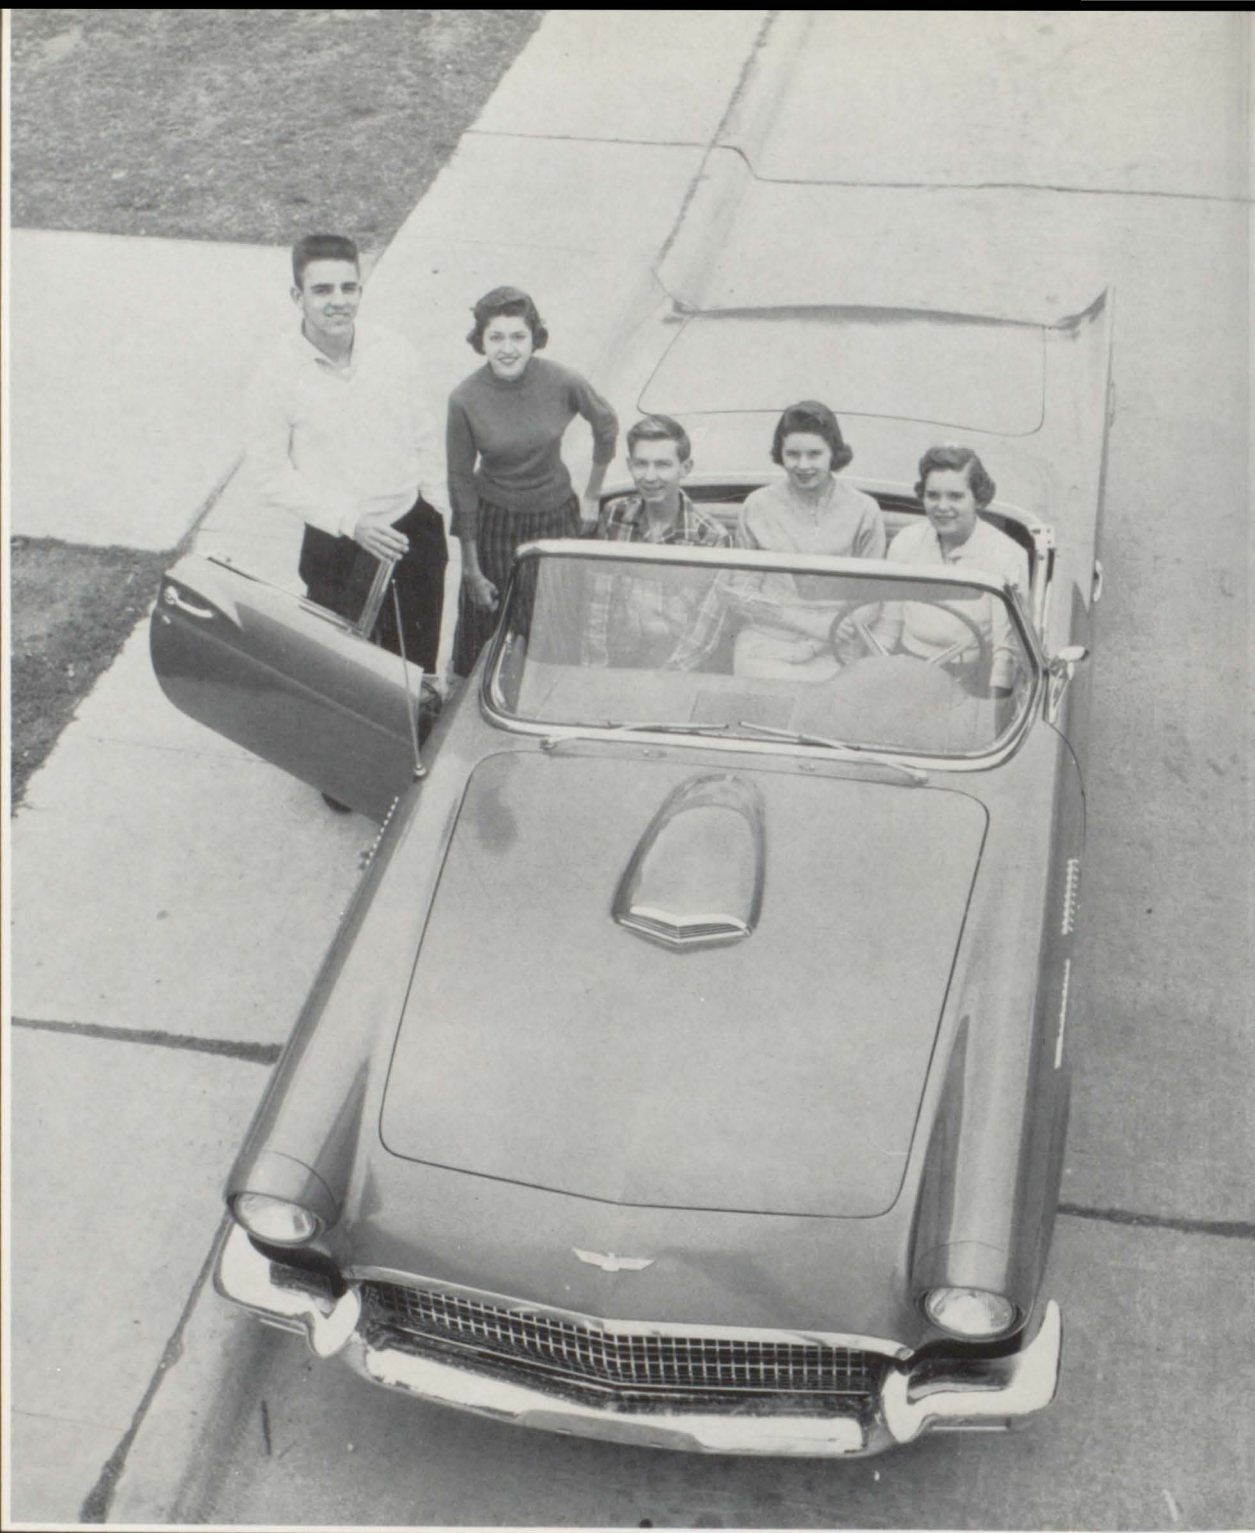

Spring fairs bring many awards for Byrd's future farmers.

At the final N.C.O. Club meeting the members heard an interesting talk by a visiting speaker.

Also in spring are the numerous elections. Excitement mounts as we cast our vote and wait for the results.

DISCUSSING THE ADVERTISING CAMPAIGNS of Byrd publications are Kenneth Hanna; Jean Weeks, Advertising Manager, High Life; Jack Mulkey, Advertising Manager, Gusher; Jo Clair Jones, Business Manager, Gusher; and Sylvia Hoag.

CENTENARY COLLEGE

of Louisiana

A private, coeducational, liberal arts college fully accredited by the Southern Association of Colleges and Secondary Schools. A member of the Association of American Colleges. It offers a four-year program leading to degrees of Bachelor of Arts, Bachelor of Science and Bachelor of Music.

The \$212,000 cafeteria shown above is just one of the many new buildings on the campus of Centenary College, which rapidly is becoming one of the beauty spots of the Ark-La-Tex.

Byrd High School graduates have been among the outstanding students at Centenary College for many years, and each semester finds a new group of Shreveporters increasing the student population of the college. Many one-time Byrd students who have earned degrees at Centenary College have gone on to achieve distinction in business, industry and the professions and to assume their rightful places of leadership in their communities.

Centenary College combines the best elements of modern education with the rich heritage of the past and is proud of the fact that it is one of the oldest colleges west of the Mississippi.

The Best Yearbooks are TAYLOR-MADE

A stylized graphic design on a dark background. A central vertical bar, colored light cream, contains the numbers '1957' in a bold, black, sans-serif font. This bar is flanked by two large, bright red triangles that point towards each other, forming a larger triangular shape. To the right of this central composition, there are several white, stylized arrowheads or chevrons pointing to the right, arranged in a horizontal line.
